

# **Annual Quality Assurance Report (AQAR) (JUNE 2017 – MAY 2018)**

**SUBMITTED BY**

**Internal Quality Assurance Cell (IQAC)**

**Of**

**Institute of Engineering & Management**  
Gurukul, Y-12, Block -EP, Sector-V,  
Salt Lake Electronics Complex, College More  
Kolkata-700091  
India.

## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

### Part – A

#### 1. Details of the Institution

**1.1 Name of the Institution:**

Institute of Engineering &  
Management, Kolkata

**1.2 Address Line 1:**

Gurukul, Y-12, Block -EP,  
Saltlake Electronics Complex

**Address Line 2:**

Sector -V

**City/Town:**

Kolkata

**State:**

West Bengal

**Pin Code:**

700 091

**Institution e-mail address:**

director@iemcal.com

**Contact Nos.:**

+91 33 2357 2969, +91 33 2357 7649

**Name of the Head of the Institution:**

Prof (Dr) Satyajit Chakrabarti

**Tel. No. with STD Code:**

+91 33 2357 2969, +91 33 2357 7649

**Mobile:**

+91 9903846956

**Name of the IQAC Co-ordinator:**

Prof (Dr) Himadri Nath Saha  
Prof Sanghamitra Poddar

**Mobile:**

+91 9830249238

**IQAC e-mail address:**

iqac@iemcal.com

**1.3 NAAC Track ID: (For ex. MHC0GN 18879)**

WBC0GN26655

**1.4 NAAC Executive Committee No. & Date:**

EC(SC)/25/A&A/15.1 dated 9-6-2017

**1.5 Website address:**

www.iem.edu.in

**Web-link of the AQAR:**

www.iem.edu.in/aqar\_2018

### 1.6 Accreditation Details

Sl. No.	Cycle	Grade	CGPA	Year of Accreditation	Validity Period
1	1 <sup>st</sup> Cycle	A	3.25	2017	5 Years
2	2 <sup>nd</sup> Cycle				
3	3 <sup>rd</sup> Cycle				
4	4 <sup>th</sup> Cycle				

**1.7 Date of Establishment of IQAC: (DD/MM/YYYY)**

30/04/2015

**1.8 AQAR for the year:**

2017-18 (June 2017 to May 2018)

**1.9 Details of the previous year's AQAR submitted to NAAC after the latest Assessment and Accreditation by NAAC: (for example AQAR 2010-11 submitted to NAAC on 12-10-2011)**

- i. AQAR \_\_\_\_\_ N.A. \_\_\_\_\_ (DD/MM/YYYY)  
 ii. AQAR \_\_\_\_\_ N.A. \_\_\_\_\_ (DD/MM/YYYY)  
 iii. AQAR \_\_\_\_\_ N.A. \_\_\_\_\_ (DD/MM/YYYY)  
 iv. AQAR \_\_\_\_\_ N.A. \_\_\_\_\_ (DD/MM/YYYY)

**1.10 Institutional Status:**

University State  Central  Deemed  Private

Affiliated College Yes  No

Constituent College Yes  No

Autonomous college of UGC Yes  No

Regulatory Agency approved Institution Yes  No

(eg. AICTE, BCI, MCI, PCI, NCI)

Type of Institution Co-education  Men  Women

Urban  Rural  Tribal

Financial Status Grant-in-aid  UGC 2(f)  UGC 12B

Grant-in-aid + Self Financing  Totally Self-financing

**1.11 Type of Faculty/Programme:**

Arts  Science  Commerce  Law  PEI (Phys Edu)

TEI (Edu)  Engineering  Health Science  Management

Others (Specify)

**1.12 Name of the Affiliating University: (for the Colleges)**

Maulana Abul Kalam Azad  
University of Technology  
(Formerly WBUT)

1.13 Special status conferred by Central/ State Government — (UGC/CSIR/DST/DBT/ICMR etc) None

Autonomy by State/Central Govt. / University

Autonomy Visit done on 9-10<sup>th</sup> March, 2018.

Waiting for Approval

University with Potential for Excellence

UGC-CPE

DST Star Scheme

UGC-CE

UGC-Special Assistance Programme

DST-FIST

UGC-Innovative PG programmes

Any other (*Specify*)

UGC-COP Programmes

## **2. IQAC Composition and Activities**

2.1 No. of Teachers

14

2.2 No. of Administrative/Technical staff

2

2.3 No. of students

2

2.4 No. of Management representatives

2

2.5 No. of Alumni

2

2.6 No. of any other stakeholder and  
community representatives

1

2.7 No. of Employers/ Industrialists

3

2.8 No. of other External Experts

2

2.9 Total No. of members

28

2.10 No. of IQAC meetings held

4 Nos

2.11 No. of meetings with various stakeholders:

No.

20

Faculty

10

Non-Teaching Staff Students

5

Alumni

3

Others

2

2.12 Has IQAC received any funding from UGC during the year? Yes  No

If yes, mention the amount

Does not arise

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/~~Conferences~~/ Workshops/Symposia organized by the IQAC

Total Nos.  International  National  State  Institution Level

(ii) Themes

- Annual Information Technology, Electronics and Mobile Communication Conference.
- Information Technology, Electromechanical and Microelectronics Conference.
- Annual Ubiquitous Computing, Electronics & Mobile Communication.
- Annual Computing and Communication Workshop and Conference.
- International Conference on Emerging Technologies in Data Mining and Information Security.
- International Conference on Electronics, Materials Engineering & Nano Technology.
- International Conference on Ethical Hacking.
- International Conference on English Learning and Teaching Skills.
- International Conference on Current Trends in Material Science and Engineering.

## 2.14 Significant Activities and contributions made by IQAC

The IQAC cell of IEM in its advisory board meetings held at institute's Science auditorium chalked out the action-plan for the year 2018-19. IQAC conducted monthly reviews for the development of academic activities for teaching faculty with the help of IQAC advisory board.

Some of the activities the faculty members & students carried out after NAAC Peer team visit held in the month of June 2017

- Conducted 9 International conferences to promote quality, research & development, encourage students to pursue higher education.
- Academic audit has been conducted by a team of external experts.
- Academic audit both at departmental and institutional level.
- Feedback was collected from students, employees, parents, alumni of various departments. These reports were analysed through IQAC quality management members & different improvements were suggested.
- The faculty members were encouraged and given responsibilities for active participation of departments in various student affairs, co-curricular activities, training and placement to ensure the complete growth & development of the students.
- Development of soft skills and personalities of the students by organising training programme.
- Teachers were encouraged to attend & organise different faculty development programs.
- Budgetary provisions were discussed & upgraded for R&D activities in the college.
- The staff members were encouraged to promote digitization.
- All faculty members were encouraged to record their lecture videos in the IEM Gymkhana TV, so that the students are able to follow the subject contents as per their requirements.
- It was decided to focus on the recommendations made by the peer team. Certain areas were identified and Prioritized. The IQAC suggested a plan for 2018-19 focussing on
  1. Research
  2. Linkage and collaboration
  3. Outreach
  4. Holding national and international seminars and exposing students to the views of diverse thinkers, leaders, opinion makers.

The IQAC has adopted the following process for internal quality checks.

- Evaluation of Teachers by students at the end of every semesters.
- Self appraisal reports submitted by teachers every year.
- Conducted several FDPs.
- Conducted placement training, foreign language classes and different club activities.

## 2.15 Plan of Action by IQAC/Outcome

The plan of action was chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcomes achieved were analysed by the end of the year.

Plan of Action	Achievements
To Encourage meritorious faculty , employees and students by presenting them with awards, prizes and recognition certificates by IEM	Institute has given academic awards, best teacher’s award .The meritorious students were given gold medals ,prizes and cash awards during the annual fest of the institute.
To collect feedback from students on 10 quality parameters related to curriculum, teaching learning and evaluation process	The feedback from students in each department after completion of odd & even semester examinations are collected and analysed. Consolidated reports were sent to the departmental heads for communicating & discussing the results with the teachers.
To collect feedback from parents, employee and alumni	Feedback were collected on sample basis and analysed. The consolidated report were placed before the management for effective implementation of the suggestions received from them
To Collect self evaluation report from faculty and department evaluation report.	<p>Reports from all faculties were collected and analysed. The consolidated report is placed before the management and communicated back to the faculty.</p> <p>The departmental evaluation report from each department were placed before the management and communicated back to the department.</p>
To conduct quality awareness campaign	The IQAC has conducted quarterly meetings under the chairmanship of the Principal and detailed plans and programmes were formulated for quality awareness.
Digitization	<ul style="list-style-type: none"> <li>• E-file system is promoted to encourage the practice of paperless office</li> <li>• Online grievance redressal system was suggested</li> <li>• Online fees payment.</li> </ul>
Minimizing environmental degradation	<ul style="list-style-type: none"> <li>• Decreased use of paper and plastic</li> <li>• Optimization of existing infrastructure</li> <li>• Tree plantation</li> </ul>
Development Programmes	<ul style="list-style-type: none"> <li>• Workshop conducted for students on recent development in Technological arena</li> <li>• Orientation programmes for faculties</li> </ul>

	<ul style="list-style-type: none"> <li>on teaching and research methodology.</li> <li>• Counselling session for students.</li> <li>• Participation in workshop, conferences, seminars and poster presentation by faculty and students.</li> </ul>
Fulfilling social responsibilities	<ul style="list-style-type: none"> <li>• Remedial Class for weaker students in especially English language, Maths, Physics for 1<sup>st</sup> year students.</li> <li>• Books, clothes, food, medicine donation camps to slum dwelling children.</li> <li>• Evening classes for the under privileged</li> </ul>
Participation from stakeholders	<ul style="list-style-type: none"> <li>• Alumni meetings are continuously arranged, annual alumni meet organised to discuss and enhance wholesome education and development .</li> <li>• Principal of the institute continuously interacts with the students to discuss various aspects.</li> </ul>
Enabling better participation from the differently abled	<ul style="list-style-type: none"> <li>• Ramps on campus are present.</li> <li>• Audio- Visual Board for differently abled are installed.</li> <li>• Easy access to lifts is ensured.</li> </ul>

*\* Attach the Academic Calendar of the year as Annexure.*

2.16 Whether the AQAR was placed in statutory body      Yes  No   
Management  Syndicate  Any other body  IQAC

Provide the details of the action taken

- Feedbacks were taken from all stakeholders and actions were taken on it
- Academic audits and green initiatives are conducted and encouraged
- Grievance cell receives complains and suggestions from the students and accordingly the issues are addressed.
- Student's Grievance Cell Committee (GCC) is regularly addressing the issues.
- Counselling Cell is regularly counselling students from different departments.
- Placement Cell regularly organising different events for the placement of the students
- The IQAC meetings are held at regular intervals.

## Part – B

### Criterion – I

#### 1. Curricular Aspects

##### 1.1 Details about Academic Programmes (office)

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	-	-	-	-
PG	3	0	3	3
UG	3	0	3	3
PG Diploma	1	0	1	1
Advanced Diploma	0	0	0	0
Diploma	0	0	0	0
Certificate	0	0	0	0
Others	0	0	0	0
<b>Total</b>	7	0	7	7
Interdisciplinary	0	0	0	0
Innovative	0	0	0	0

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option  / Open options

(ii) Pattern of programmes:

Pattern(elective option)	Number of programmes(7)
Semester	2 Per Year
Trimester	X
Annual	X

1.3 Feedback from stakeholders\* Alumni  Parents  Employers  Students   
(On all aspects)

Mode of feedback : Online  Manual  Co-operating schools (for PEI)

\*See Annexure I

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

No. This institute is affiliated under MAKAUT, West Bengal. So there is no chance of revision/update of syllabi.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

No

## Criterion – II

### 2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty	Total	Asst. Professors	Associate Professors	Professors	Others
	257	181	42	34	0.

2.2 No. of permanent faculty with Ph.D.	80
---	----

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year	Asst. Professors		Associate Professors		Professors		Others		Total	
	R	V	R	V	R	V	R	V	R	V
	35	0	40	6	3	0	0	0	78	6

2.4 No. of Guest and Visiting faculty and Temporary faculty	12(G)	12(V)	0(T)
---	-------	-------	------

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended	27	33	30
Seminars/Papers	22	25	26
Resource Persons	3	10	16

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Healthy interaction between students and faculty is ensured & encouraged which goes beyond the classrooms; learning beyond curriculum.
- Academic Audit (Internal/External) for continuous improvement are organised by IQAC.
- Alternative assessment tools to provide flexibility to the faculty.
- Awards are given for best student projects.
- Blended learning: lecture programmes through Gymkhana TV.
- Course based laboratories.
- Student exchange and collaborative research encouraged.
- Career counselling and student counselling for different papers.
- Promotion of credit based co-curricular and extra-curricular activities.
- Course components: Lecture-Tutorials-Practicals.
- Departmental advisory board for academic mentoring.
- Extension lectures are organised.
- Financial support to students for participating in project preparation and science competition.
- Hands on workshop by industry personnel.
- Industry participation on various boards – BOG, AC, BOS (departmental)

- Internship during the semester breaks are encouraged.
- Industrial/site visit are organised by the Institute along with CII.
- Classroom lectures are supplemented by talks by eminent scholars, scientists.
- 24X7 WiFi enabled campus promotes technological upgradation.
- Overhead projectors in every classroom are present.
- Well equipped internet resource centre, computer labs.
- Continuous evaluation through projects, assignments, tests.

2.7 Total No. of actual teaching days during this academic year

210
-----

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Institute has adopted reforms to maintain the quality of teaching and learning process and improving academic standards.

- The college conducts regular orientation and awareness programmes for the benefit of the students.
- The institution continues to adopt improved examination process.
- Examination reform – The Course instructor /Coordinator prepares the question paper in the respective courses. Few more set of question/s are invited from external examiners. Further evaluation of scripts with respect to those courses is also done by respective course instructor along with moderation by external examiners. The students are provided with an opportunity to access their answer script of each course. This process happens immediately after the announcement of mid-term results. A student aggrieved by the marks awarded to him/her can appeal for re-evaluation. All the copies (internal) are shown to the students & signed by them.
- For each department 2 midterm internal examination and one end semester examination are conducted.
- 2 midterm examinations are conducted by the concerned department and question papers are set by internal teachers, moderators and external subject experts.
- Assignments and seminars are part of internal examination conducted by institute’s examination cell.
- Regular tutorial and remedial classes are conducted.
- Continuous evaluation is carried out through regular tests, assignments, projects.

2.9 No. of faculty members involved in curriculum Restructuring /revision /syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

6	5	7
---	---	---

2.10 Average percentage of attendance of students

85%
-----

2.11 Course/Programme wise distribution of pass percentage:

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I % ( $\geq 6.75$ )	II % ( $< 6.75$ )	III %	Pass %
B.tech	624	-----	592	32	-----	99.1
M.tech	37	-----	34	3	-----	99.4
BBA	98	-----	96	2	-----	99.2
MBA	153	-----	150	3	-----	99
BCA	109	-----	107	2	-----	99.7
PGDM	31	-----	29	2	-----	99.6
M.Sc	2	----	2	0	-----	100

## 2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- Encourage the departments to prepare departmental annual report by summing the information /data provided towards AQAR.
- Formulated a quality management system for teaching and learning process which includes the scheduling of orientation courses, bridge courses, preparation of timetables with student seminars preparation and submission of teaching plans.
- Filling of activity diary, conduction of extra-curricular activities.
- Guidelines for student counselling were formulated.
- Prepared a structured questionnaire for collecting the feedback from students and parents.
- Collects self appraisals from faculty and department appraisals periodically.
- The periodic reports submitted by IQAC to the top management and the review meetings conducted periodically helped the organization significantly to monitor the progress and to initiate measures for quality enhancement.
- Conducts the quality audit once in every six months in all academic and administrative departments. The external audit is done every year by the professional quality auditors.
- The feedback and the suggestions of all stake holders are given due importance and placed in management meeting for proper approval.
- Coordinates with the planning, monitoring and evaluation process of the institute to review the progress and performance of various functional divisions and develops plan for the future.
- Use of ICT encouraged and enhanced.
- Conducted several Faculty Development Programs.

### 2.13 Initiatives undertaken towards faculty development

<i>Faculty / Staff Development Programmes</i>	<i>Number of faculty benefitted</i>
Refresher courses	6
UGC – Faculty Improvement Programme	2
HRD programmes	205
Orientation programmes	60
Faculty exchange programme	2
Staff training conducted by the university	2
Staff training conducted by other institutions	3
Summer / Winter schools, Workshops, etc.	210
Others	5

### 2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year(2017-18)	Number of positions filled temporarily
Administrative Staff	36	0	4	0
Technical Staff	53	0	5	0

## Criterion – III

### 3. Research, Consultancy and Extension

#### 3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- Study leave sanctioned for the faculty members pursuing Ph.D.
- Cash incentive for research publications in referred journals.
- Management funded research promotion scheme formulated.
- Deputation of faculty to participate in workshop, seminar and conferences.
- Financial assistance to faculty for presenting technical papers in national, international conferences/seminars.
- Center of excellence/innovative labs/incubation centers
- Incentive for faculty for fetching external research grants.
- Supporting measures for patent filing.
- Collaboration with foreign universities for research activities.
- Students are encouraged to attend national/International seminars for presentation of papers.
- Enlightening and creating awareness among the faculty members about various research grant sources, thereby promoting research activities.

#### 3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted
Number	-----	1	1	-----
Outlay in Rs. Lakhs	-----	47 lakhs	27lakhs	-----

#### 3.3 Details regarding minor projects

	Completed	Ongoing	Sanctioned	Submitted
Number	-----	2	2	-----
Outlay in Rs. Lakhs	-----	2 lakhs	2 lakhs	-----

#### 3.4 Details on research publications \*

	International	National	Others
Peer Review Journals	157	0	0
Non-Peer Review Journals	0	0	0
e-Journals	0	0	0
Conference proceedings	126	5	0

\* See Annexure II

#### 3.5 Details on Impact factor of publications:

Range  Average  h-index  Nos. in SCOPUS

3.6 Research funds sanctioned and received from various funding agencies, industry and other organisations

Nature of the Project	Duration Year	Name of the funding Agency	Total grant Sanctioned	Received
Major projects	2014-19	DST	47 Lakhs`	27 Lakhs
Minor Projects	2017- tilldate	ISHRAE	Rs 50000	Rs50000
Interdisciplinary Projects	---	----	----	---
Industry sponsored	----	---	----	----
Projects sponsored by the University/ College	2017-19	IEM	40 Lakhs	40 Lakhs
Students research projects <i>(other than compulsory by the University)</i>	2017- till date	DST&IEM	40 Lakhs`	22 Lakhs
Any other(Specify)	-----	-----	-----	-----
Total		DST,ISHRAE,IEM	1,27,50,000	89,50,000

3.7 No. of books published i) With ISBN No.  Chapters in Edited Books

ii) Without ISBN No.

3.8 No. of University Departments receiving funds from

UGC-SAP  CAS  DST-FIST   
DPE  DBT Scheme/funds

3.9 For colleges Autonomy  CPE  DBT Star Scheme   
INSPIRE  CE  Any Other (specify)

3.10 Revenue generated through consultancy

3.11 No. of conferences organized by the Institution

Level	International	National	State	University	College
Number	9	---	----	-----	-----
Sponsoring agencies	IEEE & Springer	----	----	-----	-----

3.12 No. of faculty served as experts, chairpersons or resource persons

3.13 No. of collaborations International  National  Any other

3.14 No. of linkages created during this year

3.15 Total budget for research for current year in lakhs:

From funding agency  From Management of University/College   
 Total

3.16 No. of patents received this year

Type of Patent		Number
National	Applied	18
	Granted	0
International	Applied	0
	Granted	0
Commercialised	Applied	0
	Granted	0

3.17 No. of research awards/ recognitions received by faculty and research fellows  
 Of the institute in the year

Total	International	National	State	University	Dist	College
15	6	2	2	----	----	5

3.18 No. of faculty from the Institution who are Ph. D. Guides (total)

and students registered under them

3.19 No. of Ph.D. awarded by faculty from the Institution

3.20 No. of Research scholars receiving the Fellowships (Newly enrolled + existing ones)

JRF  SRF  Project Fellows  Any other

3.21 No. of students Participated in NSS events:

University level  State level   
 National level  International level

3.22 No. of students participated in NCC events:

University level	<input type="text" value="0"/>	State level	<input type="text" value="0"/>
National level	<input type="text" value="0"/>	International level	<input type="text" value="0"/>

3.23 No. of Awards won in NSS:

University level	<input type="text" value="0"/>	State level	<input type="text" value="0"/>
National level	<input type="text" value="0"/>	International level	<input type="text" value="0"/>

3.24 No. of Awards won in NCC:

University level	<input type="text" value="1"/>	State level	<input type="text" value="0"/>
National level	<input type="text" value="0"/>	International level	<input type="text" value="0"/>

3.25 No. of Extension activities organized

University forum	<input type="text" value="5"/>	College forum	<input type="text" value="3"/>	
NCC	<input type="text" value="0"/>	NSS	<input type="text" value="0"/>	Any other <input type="text" value="4"/>

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

- Career counselling and personality development programmes are organised
- Community social development team of the institute has organised several programs
- Organised summer training programme for the B.Tech students of second and third year
- Organised coaching for NET, GATE, CAT & distribution of study material
- The institute has initiated reforms in various spheres as part of social reforms in order to help marginalized section of students under distressing conditions
- Providing facilities for physically challenged students by the institute
- Organised faculty development programme on recent trends
- Organises annual Marathon (Run for Education) to generate fund for the downtrodden section of the society in association with C.R.Y.
- Conducts medical camps in nearby slum areas
- Conducts health awareness programs.
- Blood donation camp
- MOU with C.R.Y.
- MOU with Save The Children Committee (India)
- Celebration of Independence Day and Republic Day

## Criterion – IV

### 4. Infrastructure and Learning Resources

#### 4.1 Details of increase in infrastructure facilities :

Facilities	Existing	Newly created	Source of Fund	Total
Campus area	12140.53 in sq.mts	NIL	Fees&Loan	12140.53 in sq.mts
Class rooms	4620 in sq.mts	660 in sq.mts	Fees&Loan	5280 in sq.mts
Laboratories	3238 in sq.mts	493 in sq.mts.	Fees&Loan	3731 in sq.mts
Seminar Halls	901 in sq.mts	179 in sq.mts.	Fees&Loan	1080 in sq.mts
No. of important equipments purchased ( $\geq$ 1-0 lakh) during the current year.	0	36	Fees&Loan	36
Value of the equipment purchased during the year (Rs. in Lakhs)	0	1,96,49,786	Fees&Loan	1,96,49,786
Others	0	0	0	0

#### 4.2 Computerization of administration and library

- Administrative information is digitalised and all the departments of the institute are provided with computer & data cable network facility.
- Admission and examination procedure are computerised.
- The institute Central Library has adequate no. of books, journal, computer with internet facility and provision for digital library.
- 24X7 library facilities provided by the institute for the students and faculties.
- E-Learning resources were created using e-Journals and e-books. The library provides e-Journal facilities.
- CCTV surveillance system for central library and all the existing facilities.

#### 4.3 Library services:

	Existing		Newly added		Total	
	No.	Value	No.	Value	No.	Value
<b>Text Books</b>	61948	20420347.80	3911	1759950.00	65859	22180297.80
<b>Reference Books</b>	5000	2500000.00	200	105102.00	5200	2605102.00
<b>e-Books</b>	90	Downloadable in .pdf format	10	Downloadable in .pdf format	100	Downloadable in .pdf format
<b>Journals</b>	Printed-15	150000.00	15	133080.00	30	283080.00
<b>e-Journals</b>	<b>2500 Full Text Journals</b> 1.IEEE 2.EBSCO 3.J- Gate(JET) 4.JSMS 5.Delnet	1012185.00	-----	-----	<b>2500 Full Text Journals</b>	1012185.00
<b>Digital Database</b>	1	13570.00	-----	-----	1	13570.00
<b>CD &amp; Video</b>	250	252612.00	-----	-----	250	252612.00
<b>Others (specify)</b>	30 Computers For Digital Library, Library Management Software (LSEase)	1078289.00	60	1324800.00	90	2403089.00

#### 4.4 Technology up gradation

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Depart- ments	Others
Existing	1650	912	1650	120	115	27	145	30
Added	137	100	137	10	5	3	25	5
Total	1787	1012	1787	130	120	30	170	35

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

- Each department is provided with computers having internet facility.
- Internet facility is provided in student hostel.
- Training programme in sphere of engineering is organised for faculty members and students to upgrade their knowledge.
- Video lectures are available in the Gymkhana TV based on course materials available for the benefit of the students.
- Tally System for maintaining the accounts in accounts department.
- CYNYSYS for the tax calculation in accounts department.
- LYBSYS Software for library.
- Internet access to all machines and 155 mbps leased line.
- Wi-Fi facility throughout the institute.
- Audio-visual system in all classrooms.

4.6 Amount spent on maintenance in lakhs:

i) ICT	Rs 4525101.15
ii) Campus Infrastructure and facilities	Rs. 26150304.00
iii) Equipments	Rs. 19649786.00
iv) Others	Rs. 460609609.74
<b>Total :</b>	Rs. 51,09,34,800.89

## **Criterion – V**

### **5. Student Support and Progression**

#### 5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- Putting up notices and circulating them in the classes to enhance awareness about management contribution towards financial aid, scholarship & book bank facility available in college library.
- Continuous upgradation of library resources.
- Provision of a counselling centre.
- Mechanism for grievance redressal.
- Women's Development cell.
- HOD's of all departments to look into student related activities.
- Meeting are held with parents of first year students to orient them about college, its activities, examination system and placement scenario.
- On campus photocopying facility is made available for the students.
- Coordinated with the Director, Principal & HOD of various department to prepare the academic calendar for the student support system.
- Conducted meetings once in a month with officers of supporting facilities and has given suggestions for improvements.
- Has guided the placement office to conduct training programme to the students.
- The placement cell with the monitoring of the IQAC has conducted Campus interviews by inviting prominent industries.
- IQAC encourages students to come out with their views and suggestions to enhance quality education.
- Seed money is provided to different entrepreneurship ventures, scholarships are provided to brilliant and needy students.

#### 5.2 Efforts made by the institution for tracking the progression

- Assessment strategies – Measuring the academic progress of the students through internal assessment, result analysis, attendance, project method and through academic units and functionaries.
- Student's feedback – The institution conducts student feedback process every semester to improve teaching, infrastructure, and the entire learning experience for the students during their tenure. The college has instituted an online student's feedback system to obtain feedback on teaching, coursework and various academic activities. The student's feedback is considered as a valuable source of information to measure their level of satisfaction.
- Parent teacher meeting /monitoring – Parents are invited at least once in a semester to discuss the progress of their wards. This is in addition to the regular monitoring of the student's progress by their mentors.
- Academic audit – Regular academic audit both internal/external are conducted. The audit reports are reviewed and approved by the management.
- The faculty (mentor) regularly interacts with the assigned students to access and monitor the progress of each student and the same is communicated to the parents.
- Alumni association strengthens and increased by different programmes.

5.3 (a) Total Number of students:

UG	PG	Ph. D.	Others
3540	574	0	0

5.6 Details of student counselling and career guidance

- Placement Cell of the institute has placement officer to give career guidance to the students.
- To improve the communication skill in English, the institute regularly conducts remedial English classes.
- Placement cell arranges regular employment enhancement classes, campus interviews for assisting the students to get placed in various Core & IT organisations.
- Entrepreneurship development cell
  1. The cell provided platform for students to develop entrepreneurial skills sets.
  2. Conducts activities like workshops, lecture series, idea competition etc.

3. 18 students have started their own companies and have become entrepreneur. The following are some of the activities /initiatives has taken by the cell for the benefit of the students and faculty members during 2017-18.

Sl no	Particulars	Date	Venue	Participants
1	NEN E-Week	10-18 <sup>th</sup> Feb,2018	IEM	Students

#### 5.8 Details of gender sensitization programmes

The Institute has the centre for Women Studies Cell to organise gender sensitization

It has organised several women empowerment training programmes.

- Counselling is also provided for the girl students by the professionals.
- Compulsory karate class for women.

## 5.9 Students Activities

### 5.9.1 No. of students participated in Sports, Games and other events

State/ University level  National level  International level

### No. of students participated in cultural events

State/ University level  National level  International level

### 5.9.2 No. of medals /awards won by students in Sports, Games and other events

Sports: State/ University level  National level  International level

Cultural: State/ University level  National level  International level

## 5.10 Scholarships and Financial Support

	Number of students	Amount(INR)
Financial support from institution	159	Rs.90,25,000.00
Financial support from government	10	Rs.124000
Financial support from other sources	0	0
Number of students who received International/ National recognitions	0	0

### 5.11 Student organised / initiatives

Fairs : State/ University level  National level  International level

Exhibition: State/ University level  National level  International level

5.12 No. of social initiatives undertaken by the students

5.13 Major grievances of students (if any) redressed: None

## Criterion – VI

### **6. Governance, Leadership and Management**

#### **6.1 State the Vision and Mission of the institution:**

##### **Vision:**

To be globally recognized educational institution known for outcome-based education and application-oriented research.

##### **Mission:**

To assist students to understand and enjoy seamless nature of knowledge and encourage them to apply the acquired knowledge to practical use, so that they become worthy, socially responsible good human being sought after for their leadership qualities.

To foster creativity, innovation and excellence through example based teaching-learning process imparted in the most simple and easily comprehensible way.

To continuously upgrade knowledge base of our manpower, improve infrastructure and use of latest technology/pedagogical tools, and update curriculum through periodic feedback from stake holders to enable students to meet professional requirements and their expectations.

#### **6.2 Does the Institution has a management Information System: Yes**

Administrative procedure including

- Student Admission
- Student Attendance
- Evaluation & Examination Procedure
- Research Activities
- Seminar, Conference, Training activities
- Finance
- Automatic generation of ID Cards
- Office records are being digitalised for archiving
- Records maintained manually (at record room) converted into digital format
- Tools developed for conducting conference and workshops
- Online registration portal for conducting national, International conference and workshop

### **6.3 Quality improvement strategies adopted by the institution for each of the following:**

#### 6.3.1 Curriculum Development

The Board of studies (BOS) at PG & UG Levels were constituted with members from industry, expert faculty and student alumni. The Meeting of the BOS are conducted at regular intervals. The ideas obtained from the various bodies are thoroughly discussed by the experts and forwarded to MAKAUT. The feedback collected from the students and alumni for curriculum and suggestions are placed in BOS meetings. Analysis of all collected feedback done on the employability and value based education.

#### 6.3.2 Teaching and Learning

The following are some of the innovative processes adopted by the institution towards TLP (Teaching and Learning Programme)

- E-Learning solution of automatic recording and distribution of class room lectures through Gymkhana TV.
- Creation of departmental advisory board for advising academic materials.
- Collaborative laboratory with industry.
- Live lecture programmes
- Internships
- Rubrics to assess the level of student projects
- Animation/Power point/Smart Classroom facilities.
- To motivate and help students to do minor educational projects in related area/topics.
- Conduct External and internal academic audits on a regular basis.
- Workshop by alumni on current trend/technology.
- Project based learning (self study).
- Progression of students is continuously monitored.
- Inter departmental student projects.
- Funding for multi disciplinary projects
- Awards for best student projects.
- Financial support to students for participating in competitions and model preparation.

#### 6.3.3 Examination and Evaluation

- Continuous evaluation through different methods like internal assessment tests, assignments, projects, presentation etc
- Transparency is maintained in evaluation process
- Examination committee ensures smooth conduction of examination.
- The end semester examination question paper is set up by MAKAUT(Affiliating university)
- The practical examination is conducted with internal and external examiners appointed by the Controller of Examination (MAKAUT).

#### 6.3.4 Research and Development

The Institute has a research committee to facilitate, monitor and encourage the research activities. It meets regularly to discuss various plans to promote research and motivate the faculty for academic advancement.

- The committee keeps track of different government schemes and schemes other agencies like CSIR, DST, DBT, DRDO and CSIR.
- Creation of inter and multi disciplinary research teams.
- Organization of conferences/seminars/workshops/training programmes.
- Sponsoring faculty members for attending different conferences /seminars/workshops.
- Establishment of research forum.
- Encouraging faculty towards getting projects.
- Establishment of department research committees.
- Faculties are rewarded for publication in reputed journals and book publication.
- Sabbatical leave is provided to faculties for pursuing higher studies.
- College provides registration fees and travel cost for attending reputed National/International conferences.
- Subscription to both printed and online journals.
- Seed money provided to projects.
- Appointment of Research Assistant
- Many research papers are published by students
- Dedicated cubicles in laboratories for research works.
- Inviting distinguished visiting fellows from national & international levels.
  - Providing seed money for research activities.
  - Providing Incentives for publishing research papers in referred journals with impact factor.
  - Cluster concept
  - Extension Lectures.
  - Recognising inspiration thinking of the students by awarding best student project award in every year

#### 6.3.5 Library, ICT and physical infrastructure / instrumentation

Institute Central Library was established with nearly 1 lakh books and 4111 books were added during 2017-2018 period and 15 print journals having e-learning resources with 10 eBooks and 10 e-journals. Library is well connected with consortium of Indian libraries INFLIBNET. The Institute has more than 1787 computers and 2 e-class rooms. Each department is provided with computer internet facilities. The institute has well established classrooms, seminar hall and fully equipped laboratories. Other amenities such as canteen, medical room, bank, hostels, recreation clubs, basketball court, indoor auditorium and common halls, are available. Each department of College of Engineering, has well

established laboratories with modern equipments. The institute has well build gymnasium for all the students of the campus.

#### 6.3.6 Human Resource Management

- Delegations of responsibility – some of the key responsibility areas are identified and delegated at different levels – office function, Principal, HOD/Asst. HOD.
  - ❖ Academic Council – All academic matter (including BOS functions) through academic council
  - ❖ Internal Quality Assessment Cell (IQAC)
- Participatory Management – Subcommittee for different functional activities comprises representatives of teachers, non-teaching staff and students. It includes the involvement of the staff for organizing different programmes of the college.
- Staff Orientation Programmes are organized by the college on regular basis
- Performance appraisal system is practiced.
- Promotion policy – College follows the promotion policies of the Higher Education Department. In addition, College also has introduced seniority based and performance based promotions.
- Policy for compensation – College extends the following benefits to the staff members. Such as:
  - ❖ Provident fund – Each member of the staff shall subscribe to duly constituted College Provident Fund in accordance with statutory rule.
  - ❖ Gratuity – College pays Gratuity to the staff members.
  - ❖ Leave Encashment – College pays leave encashment to the staff members as per the Higher Education Department guidelines. All teachers are treated at par.
- Performance Recognition
  - ❖ The College gives performance recognition by way of monetary incentives, like, sponsoring registration fees for the faculty members whose paper have been accepted at Seminars and Conferences (including International Conferences) providing the Ph.D registration fees to the candidates; by felicitating the retired staff members and recognising contributing efforts of those, with at least 2 years of service.

#### 6.3.7 Faculty and Staff recruitment

- Recruitment of faculty and staff are being made as per AICTE and state government norms through board of appointments subject to approval by the management of the institute
- The qualification, eligibility criteria and pay scale as per AICTE and state government norms.
- Advertisements are issued in leading dailies inviting applications from eligible candidates.
- The applications are scrutinised. Applicants who meet the eligibility criteria are called for an interview cum trial teaching session.
- The Candidates are selected by a duly constituted board of appointments.
- The approval of the governing body is sought for final appointment of the selected candidates
- The staffing pattern of the institution is dependent on the extension of the academic programmes and the man power requirement for the same. With the introduction of new Programmes / new teaching and non teaching posts are created to meet the man power requirement to satisfy the work load.
- The BOG meeting are held on 4/8/2017, 2/12/2017 & 26/2/2018.
- In the academic year 2017-18 a total of 40 faculty and 9 non teaching staff (Technical & Administrative) were appointed.

### 6.3.8 Industry Interaction / Collaboration

- Institute has interaction and collaboration with reputed research organizations, industries and institutions in India and abroad.
- It has more than 7 MOUs and also has several interdisciplinary and multidisciplinary projects in collaboration with other reputed organizations.  
(See Annexure III)
- Institute has entered into student and faculty exchange programmes in collaboration with Foreign Universities/Institutions.
- The institute has MOU with CII (Confederation of Indian Industry) and participates in all industry academia outreach and exchange programs. The students and faculty members are sent in regular industry visits.
- Many faculty members are involved with different consultancy programs. This increases the institute industry interaction.
- Alumni of the institute working in different reputed government/private/MNCs/academia are regularly invited to address the students.

### 6.3.9 Admission of Students

The Institute has a well organized and transparent admission system. All the admissions are based on merit in accordance with the rank obtained in the WBJEE or rank obtained in all India level entrance examinations.

### 6.4 Welfare schemes for

- Teaching Staffs:
  - ❖ Free medical facility
  - ❖ Loans for housing and vehicle and medical needs
  - ❖ Group insurance
  - ❖ Festival advances.
  - ❖ Fee concession for employee's children in education
  - ❖ Transport facility
- Non- Teaching Staffs:
  - ❖ Free medical facility
  - ❖ Group insurance
  - ❖ Separate cooperative society
  - ❖ Festival advances.
  - ❖ Loans for housing, vehicle and medical needs
  - ❖ Fee concession for employee children in education
  - ❖ Transport facility

- Students:
  - ❖ Accommodation (hostel facility)
  - ❖ Free medical facility
  - ❖ Student insurance
  - ❖ Play grounds and gymnasium, meditation hall, yoga practice centre
  - ❖ Recreational facilities
  - ❖ Implementation of fee reimbursement scheme
  - ❖ Assistance for getting scholarships
  - ❖ Publication of annual magazine

**6.5 Total corpus fund generated**

13,45,810835.00

**6.6 Whether annual financial audit has been done**

Yes

No

**6.7 Whether Academic and Administrative Audit (AAA) has been done?**

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	Inspection was conducted by NAAC Peer Team and IEM college scores 3.25 CGPA out of 4(A) in its 1 <sup>st</sup> cycle accreditation	Yes	Principle, Coordinator –IQAC, Vice Principal, HODs
Administrative	----	-----	Yes	Principal, Coordinator - IQAC, Vice Principal, HODs

**6.8 Does the University/ Autonomous College declare results within 30 days?**

For UG Programmes      Yes       No

For PG Programmes      Yes       No

**6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?**

Not Applicable

**6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?**

Not Applicable

### **6.11 Activities and support from the Alumni Association:**

The Institute has a registered alumni association.

The alumni association organizes annual alumni meet known as “Homecoming” where almost 300-400 alumni from all over the world enthusiastically attend the program along with their family members.

- Several students are placed in different MNCs with the help of Institute alumni cell and also visiting lectures by eminent alumni are arranged.
- Alumni are associated in designing and updating the curriculum through participation in IQAC meetings.
- Feedbacks on institute, academic, non-academic activities are provided by the alumni on regular basis.
- They also participate in different community development and society welfare programmes like the annual IEM marathon organized in association with C.R.Y.
- The alumni also provide scholarships/awards/prizes to the deserving students.
- The alumni association also sponsors different endowment lectures.

### **6.12 Activities and support from the Parent – Teacher Association**

- Institute has quarterly parent–teacher meetings to understand the perceptions and expectations of the parents.
- The feedback from parents on various academic and non academic activities is collected and analyzed by the IQAC.
- Along with the students, parents are invited for the induction meeting conducted by the Institute Administration.
- Institute believes in maintaining a holistic relationship between teachers and parents can improve the quality of education and it adopts several initiatives in this direction.
- Institute has plans to introduce additional online programmes in every department for each student in which the parents can interact and get required information.

### **6.13 Development programmes for support staff**

Different Development programmes are organised by the college for the support staff such as:

- Orientation programme
- Development programme
- Improvement programme
- Computer and skill based training
- Regular birthday celebration
- Sports
- Regular medical check-up.

#### **6.14 Initiatives taken by the institution to make the campus eco-friendly:**

The initiatives taken by the college to make the campus eco-friendly are:

- Regular cleanliness ensured within and outside the campus.
- Tree plantation within/outside the campus
- Rain water harvesting

Introduction of solar energy plants which is reducing usage of electrical power and reduction of pollution in the campus

Encouraging using of CFL lamps

Restricting the use of air conditioner in all the departments

It is proposed to conduct energy audit every year

#### **Plantation:**

Programmes for tree plantation are done inside/outside the campus to maintain the greenery and healthiness of the campus.

#### **Water harvesting:**

Water harvesting is practiced in the Institute.

#### **Hazardous waste management:**

The Institute set up a committee to handle hazardous waste management. Effective discharge of water from laboratories (Underground drainage system) Putting of damaged glassware and chemicals in specified locations. Institute is plastic free campus.

#### **E-waste management**

The Institute administration has nominated the centralized team to look after obsolete items from the Institute campus colleges and their proper disposal. The e-waste is disposed calling tenders from the vendors who use it for recycling. Necessary steps are taken for speedy disposal.

## Criterion – VII

### **7. Innovations and Best Practices**

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Curriculum – Ensuring the curriculum is robust and relevant through several brainstorm session by the stake holders.
- Pedagogy – Innovative pedagogy (Bloom’s taxonomy, self – Learning) for enhancing the skills of the graduate.
- Research – Promoting research, innovation & entrepreneurship through centre of excellence & incubation.
- Industry – collaborative efforts with the Industry personnel for enhancing the learning levels of graduates.
- Ensuring quality: Students feedback on Faculty for ensuring quality of teaching at each semester examinations. Once in a year on the Institutional facilities.
- Faculty development: A series of faculty development seminar/workshops organised by the IQAC Cell at a regular intervals.
- Student support: Remedial classes for the slow learners and Bridge course for lateral entry students
- Motivations: Incentives for publishing Research papers in refereed journals with impact factor.
- Alumni: Workshops by Alumni in current Trends/ Technology for enhancing the skills.
- Welfare: Medical insurance coverage for all the students, members of the faculty and their families.
- Student support system. Alumni support system are upgraded.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Plan of Action	Action taken
Organise, Seminars /Workshops, Invited Lectures	<ul style="list-style-type: none"> <li>• 9 International conferences were conducted by the IQAC Cell.</li> <li>• Ten Regional/State level Seminars/ Workshops were conducted by various departments.</li> <li>• 50 invited Lectures were held</li> <li>• Orientation, training sessions, extension ,expert classes were organised</li> </ul>
Skill Enhancement Programmes	Conducted 10 Skill Enhancement Programmes- Web development, Python, Rasberry Pi, Arduino, IoT, Data Analytics, Big Data, Cloud Computing, R Programming, BCI.
Certificate Course	10 Certificate Course of 30 hours for UG students: Web development, Python, Rasberry Pi, Arduino, IoT, Data Analytics, Big Data, Cloud Computing, R Programming, BCI.
Assessment and Evaluation	<p>Two internal assessment exams conducted for UG and PG per semester.</p> <ul style="list-style-type: none"> <li>• Continuous Assessment through class tests, projects and assignments.</li> <li>• Grievance Redressal Mechanism for grievances related to assessment.</li> </ul>
Research & Development	<ul style="list-style-type: none"> <li>• Publication of Research Journal- Amercian Journal for Advanced Computing (ISSN No. 2368-1209).</li> <li>• 3 faculty awarded PhD in the academic year and 60 faculty pursuing research for award of Ph.D.</li> <li>• Motivation provided to teachers to publish books on related topics &amp; sci journals.</li> <li>• Faculty submitted proposal for major Research project in funding agencies like DST, CSIR &amp; AICTE etc.</li> </ul>

	<ul style="list-style-type: none"> <li>• Encourages paper and poster presentation by students in conferences.</li> </ul>
Career Guidance	<ul style="list-style-type: none"> <li>• Career Counselling for students.</li> <li>• Competitive Exam coaching.</li> <li>• Orientation and enrichment Programmes organized by Training and Placement cell.</li> <li>• Career Placement Drives.</li> </ul>
Competitions Organised	<ul style="list-style-type: none"> <li>• Inter collegiate competitions conducted on different themes by various departments.</li> <li>• Various departments, clubs organized variety College level competitions.</li> <li>• Annual Tech Fest along with cultural night is organised.</li> <li>• Student Research paper presentation competition is organised.</li> <li>• Different Workshops was organised on recent trends.</li> </ul>
PTA	<ul style="list-style-type: none"> <li>• Once in a month Parent Teacher meet is organised.</li> <li>• In the meet the progress of each student is considered in front of their parents.</li> </ul>
Extension activities	<ul style="list-style-type: none"> <li>• Free Education is provided to the street children's.</li> <li>• MOU with CRY organisation.</li> </ul>
Counselling	<ul style="list-style-type: none"> <li>• A trained counsellor provides regular counselling to students.</li> <li>• Faculty as Mentor- Each student is under a faculty mentor.</li> <li>• Career Counselling is provided by Career Guidance Cell .</li> </ul>
Clubs, Forums, Cells, Department Associations	<ul style="list-style-type: none"> <li>• Different Clubs are present in the Institute like Robotics club, Coding club etc.</li> </ul>
Alumni	<ul style="list-style-type: none"> <li>• A registered association is present .</li> <li>• Yearly once the alumni meet is organised.</li> <li>• Alumni members help the institution in every possible extend.</li> </ul>

7.3 Give two Best Practices of the institution\* (*please see the format in the NAAC Self-study Manuals*)

BEST PRACTICE 1

i) Title of the practice: Tri-Mentoring Programme

ii) Objective of the practice:

- Identify and clarify students' personal and professional goals.
- Encourage students to face challenges with greater ease and confidence.
- To improve teacher-student relationship.
- To help them to get back on track when distracted.
- To counsel students and interact with them in one to one manner.
- To guide students to choose right career path.
- To develop strategies and action plans that yield results and improve the quality of life of students in many respect.
- Alumni – student interaction encouraged and established.
- Industry – student interaction encouraged and established.
- To make students motivated and committed until successful completion of the course.

iii) The Context:

Mentoring is a professional relationship in which an experienced person (faculty) assists another (student) to develop specific skills and knowledge that enhances the less-experienced person's professional and personal growth. The mentor provides an empathic ear to students' concerns and offers support in setting their goals helps in practicing time and stress management techniques, and in acquiring more efficient study routines.

Since the majority of the students is not matured enough to take their own decision in the vast changing scenario of technology and fast life, the mentorship programme of the institute guides and counsel the students in academic, non-academic matters including personal domain to achieve their best in life. In particular, the scheme aims at addressing deficiencies in attitudes, habits, and knowledge of the students regarding study and learning.

iv) The Practice:

In this process of Tri-mentoring three mentors are assigned for each and every student. Where one mentor is a faculty of the institute, then another mentor is an alumni of the institute and last one is a corporate personnel. The task of the faculty mentor is to guide and help the students in their academic related problems and to streamline them in career oriented plans for their development. The task of the alumni member is to help the students as a college senior in all aspects of their life i.e. both academic as well as non-academic issues. The task of the corporate mentor is to guide the students for the knowhow of their placement activities and they also guide students on the current trends of the industry.

For proper record maintenance about the students, the mentors monitor and analyse on regular basis. Each mentor maintains the student's database and reports the same to his/her HODs. Mentors meet with each group regularly to discuss academic and non-academic issues. The issues include:

- Students' study habits.
- Study planning and techniques.
- Students' attendance.
- Real life problems.
- Examination preparation.
- Weaker student identification.
- Remedial classes requirement.

v) Evidence of Success :

- Improved teacher-student relationship.
- Improvement of academic performance.
- Improvement in Student's discipline and involvement in various college activities.

vi) Problem encountered and resources required :

There are some identified problems encountered and resources provided to implement the practice. These are:

- The newly joined faculty members from other colleges who are not accustomed with the culture are separately instructed to get involved in the mentorship program.
- Apart from regular theory and practical classes, allocating sufficient time for one to one student interaction through mentorship program sometimes becomes a constraint for the faculty members. However, the institute encourages and appreciates such activities through the annual appraisal of the faculty members.

## BEST PRACTICE 2

i) Title of the practice:

Holistic approach of education is adopted to enhance the employability and professional as well as personal skills of the students.

ii) Objective of the practice:

- To develop core competencies required for the industry such as communication skills and collaboration, leadership, creative thinking and problem-solving skills, personal management, the ability to work in teams or groups and leadership effectiveness. Ultimately the aim is to make the students more employable and good responsible citizens of India.

- To not only aim at making them employable but also ensure inculcation of emotional, cognitive, corporal and social values.
- To achieve high placement records.

iii) The Context :

Students, in this era of globalization, are immersed in thoughts of fulfilling their professional and material aspirations. In this process, they at times do not adhere to certain basic dos and don'ts of professional as well as personal life. The institute considers this its responsibility to groom the students to face challenges in life in the right manner and spirit.

iv) The Practice :

Along with courses in English Language, Language Laboratory (since First year of B.Tech), which aims at improving English Language skills, students are offered a variety of other Humanities courses such as Values and Ethics in profession, Organization Behaviour, Economics for Engineers, Principles of Management, Group Discussion, Industrial Training etc. These courses cover a wide range of topics for enhancement of professional as well as personal skills of the students so that they can succeed in all endeavours in life. Over the above courses which are the integral part of their curricular structure, a few extra training courses are also provided to the students for further enhancement of their skills and employability.

v) Evidence of Success:

- Student's academic performance has shown improvement and they are performing better in university exams.
- Soft skill training shows remarkable change in communication skills, confidence building, personality development and overall grooming.
- As a result of this the eligible students for campus placement of college has significantly improved.

vi) Problems encountered and Resources required :

Following problems are faced while implementing the practice

- Time Constraint – to match with academic schedule of university, completion of syllabus and soft skill development training (soft skill and domain knowledge training) of students is very difficult to accommodate.
- The quality of students coming to the college is mediocre and huge efforts are required to improve them.
- Creating interest and awareness among students regarding importance of soft skill in their professional career.

*\*See Annexure IV*

#### 7.4 Contribution to environmental awareness / protection

- Environmental Day Celebrations, Tree plantation, Nature club camp, Swachh Bharat drive are regularly conducted
- Seminar talk on environmental awareness, green audit are conducted

7.5 Whether environmental audit was conducted? Yes  No

#### 7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

##### Strength:-

- Campus- Environment friendly campus.
- Quality Education – Highly qualified and dedicated faculty; healthy interaction between students and faculty which goes beyond the classrooms; learning beyond curriculum.
- Commitment towards student’s welfare – Equal opportunity to all.
- Counselling – for students at both formal and informal levels, mentoring system well structured, tri-mentoring system is followed.
- Infrastructure and technology access – Air-Conditioned and modular laboratories with overhead projectors in all classrooms; 24X7 Wi-Fi connections. Well-Equipped internet resource centre and computer labs.
- Well -Equipped library – Excellent collection of rare and latest books and journals; The library is also equipped with special software and resources for differently abled students, 24X7, AC
- Research & Innovations – Research thrust through activities like research projects and annual academic conclave.
- Sports achievement – In keeping with its tradition of all round education the college offers excellent sports infrastructure and coaching leading to national level sports achievements, mass participation of students in sports activities like marathon, inter/intra sports tournaments.
- Scholarships and financial aids- college offers financial aid and numerous need and merit based scholarships. A large number of scholarships disbursed to students from marginalized and economically deprived section, medical bills of needy students are paid.
- Fulfilling our social responsibility – Particularly through the active social service league, MOU with C.R.Y. and Save The Children Committee (India).
- Extra-curricular activities- Large number of cultural, literary, subject & theme based societies/clubs are present.
- Morning Assembly – All students of IEM are required to attend the morning assembly. Generally national anthem along with some important announcement done in the assembly. All faculties along with Director and Principal presides over the morning meeting everyday where the academic progress of students is discussed and necessary measures are taken for enhancing the quality of education, various institutional policies & discussions are planned to ensure decentralization of power.
- College Website - It is well maintained and user friendly .The class wise timetable is uploaded on the website before the commencement of the new session every semester .The attendance and internal assessment marks are uploaded by teachers regularly in the IEMCRP of the institute. All major events like seminar, conferences, invitee lectures, MDP, FDP programmes are uploaded regularly.

- Distinguished Alumni – Alumni of the college are regularly invited to interact with the students. They come and share their expertise from various fields like government, academia, corporate world, start ups etc.
- Library – Library housed in three different campuses along with one central library at Gurukul campus. All libraries are equipped with good no of books, air conditioned and fully automated .It also provides seamless access through an online library so that the students can access the catalogues , online journals , online reference sources at any time irrespective of location, 24X7, 360 days.

Weakness: -

- Limited availability of land due to the prime location of the institute
- The proven point leads to the limited no of courses offered.

Opportunity:-

- Excellent academic environment
- Research and innovation
- Collaboration with foreign universities
- Active alumni participation.
- To share the wealth of information and methodologies practiced in the institute with the world at a large.

Threats:-

- Inadequate research facilities due to lack of government and UGC funding.

## 8. Plans of institution for next year

IQAC plan of action to be decided upon at the beginning of the academic year

- Academics
  1. To organise interdisciplinary seminars, workshops, conferences.
  2. Regular workshops and extra courses pertaining to the course curriculum to be organised.
- Development Programmes and collaborations
  1. To encourage faculty members to start thinking about new courses
  2. To increase the number of collaborations with foreign universities
  3. To establish faculty and student exchange programmes
- Research and Innovations
  1. To explore possibilities for active industry participation
  2. To increase the number of patent applications.
  3. To increase publication of research papers in reputed journals with good impact factor.
  4. Search for funding from reputed industry and corporate houses related to research projects.
- Institutional Social responsibility
  1. Eco friendly measures to be adopted.
  2. To organise more community service activities to contribute to the wellness of the society.
  3. To implement the existing awareness programmes on environmental issues
- Welfare Programmes
  1. To increase number of student internships, to support financially weak students, help students with very serious medical crisis.
- Administrative
  1. To enhance infrastructural development.
  2. Ensuring Interactive feedback, analysis & monitoring.
  3. Offer specific and targeted training to teachers & students.
  4. Academic Audit (Internal/External) for continuous of academic upgradation
  5. Introduction of Academic autonomy in UG, PG courses.

## Q14 How could the student's experience at IEM be improved ?

Answered: 47 Skipped: 24

## Q15 Any other comments/suggestion ?

Answered: 38 Skipped: 33

## Q1 Course

Answered: 166 Skipped: 0

ANSWER CHOICES	RESPONSES	
MBA	100.00%	166
PGDM	0.00%	0
TOTAL		166

## Q2 You are currently in which Year ?

Answered: 166 Skipped: 0

## Q3 Mention Your Section

Answered: 166 Skipped: 0

## Q4 Rate the Laboratories & Equipment's of IEM

Answered: 164 Skipped: 2

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	28.05% 46	27.44% 45	39.63% 65	4.88% 8	164	2.21

### Q5 Rate the Library of IEM

Answered: 164 Skipped: 2

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	21.34% 35	28.05% 46	40.24% 66	10.37% 17	164	2.40

### Q6 Rate the Computer Facilities of IEM

Answered: 162 Skipped: 4

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	19.75% 32	28.40% 46	43.83% 71	8.02% 13	162	2.40

### Q7 Rate the Internet & Wi-Fi facility of IEM

Answered: 166 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	40.36% 67	19.28% 32	26.51% 44	13.86% 23	166	2.14

### Q8 Rate the R&D Projects of IEM

Answered: 158 Skipped: 8

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	10.13% 16	31.65% 50	52.53% 83	5.70% 9	158	2.54

### Q9 Rate the faculty effectiveness of IEM in terms of Technical Content

Answered: 165 Skipped: 1

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	8.48% 14	16.97% 28	50.30% 83	24.24% 40	165	2.90

## Q10 Rate the faculty effectiveness of IEM in terms of Communication Skills.

Answered: 166 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	4.82% 8	11.45% 19	53.01% 88	30.72% 51	166	3.10

### Q11 Rate the Sports & Cultural Activities provided by the Institute.

Answered: 165 Skipped: 1

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	13.33% 22	18.79% 31	45.45% 75	22.42% 37	165	2.77

## Q12 How do you rate the Health Care Facilities provided by the Institute ?

Answered: 162 Skipped: 4

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	35.19% 57	25.31% 41	30.86% 50	8.64% 14	162	2.13

### Q13 Rate the Cafeteria of the Institute.

Answered: 164 Skipped: 2

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	67.07% 110	16.46% 27	14.63% 24	1.83% 3	164	1.51

## Q14 How could the student's experience at IEM be improved ?

Answered: 113 Skipped: 53

## Q15 Any other comments/suggestion ?

Answered: 89 Skipped: 77

## Q1 Department/ Stream/Course

Answered: 24 Skipped: 0

## Q2 You are currently in which Year ?

Answered: 24 Skipped: 0

## Q3 Mention Your Section

Answered: 24 Skipped: 0

## Q4 Rate the Laboratories & Equipment's of IEM

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	16.67% 4	29.17% 7	37.50% 9	16.67% 4	24	2.54

### Q5 Rate the Library of IEM

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	20.83% 5	20.83% 5	33.33% 8	25.00% 6	24	2.63

### Q6 Rate the Computer Facilities of IEM

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	0.00% 0	37.50% 9	45.83% 11	16.67% 4	24	2.79

### Q7 Rate the Internet & Wi-Fi facility of IEM

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	50.00% 12	29.17% 7	12.50% 3	8.33% 2	24	1.79

### Q8 Rate the R&D Projects of IEM

Answered: 21 Skipped: 3

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	19.05% 4	28.57% 6	28.57% 6	23.81% 5	21	2.57

### Q9 Rate the faculty effectiveness of IEM in terms of Technical Content

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	12.50% 3	25.00% 6	41.67% 10	20.83% 5	24	2.71

## Q10 Rate the faculty effectiveness of IEM in terms of Communication Skills.

Answered: 24 Skipped: 0

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	12.50% 3	33.33% 8	29.17% 7	25.00% 6	24	2.67

### Q11 Rate the Sports & Cultural Activities provided by the Institute.

Answered: 23 Skipped: 1

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	39.13% 9	21.74% 5	17.39% 4	21.74% 5	23	2.22

## Q12 How do you rate the Health Care Facilities provided by the Institute ?

Answered: 23 Skipped: 1

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	30.43% 7	39.13% 9	17.39% 4	13.04% 3	23	2.13

### Q13 Rate the Cafeteria of the Institute.

Answered: 23 Skipped: 1

	NEED IMPROVEMENT	SATISFACTORY	GOOD	EXCELLENT	TOTAL	WEIGHTED AVERAGE
☆	47.83% 11	21.74% 5	13.04% 3	17.39% 4	23	2.00

## Q14 How could the student's experience at IEM be improved ?

Answered: 13 Skipped: 11

## Q15 Any other comments/suggestion ?

Answered: 10 Skipped: 14

Page 1: IEM Parents Feedback Form

**Q1** Your Name

UJJWAL BHATTACHARYYA

**Q2** Contact Number

9830516386

**Q3** Name of Your Child/Children

ISHITA BHATTACHARYYA

**Q4** What year is your child/are your children in?

	Stream	Year	Course	Sex
Child One	<b>B.Tech</b>	<b>1st Year</b>	<b>CSE</b>	<b>Female</b>
Child Two (leave blank if not applicable)				
Child Three (leave blank if not applicable)				

**Q5** How comfortable do you feel about approaching the college about issues or concerns you may have?**Comfortable,**

Please add any additional responses/comments here::

The official announcement facility regarding occasions (various announcements etc.) are not easily available

**Q6** How satisfied you are by admitting your ward in IEM ?**Very comfortable****Q7** Please feel free to raise any questions, concerns, comments or feedback.

Please let us know the portal details where from we the parents can get details of announcements like MAKAUT Registration, Admit Card and Report Card downloads, sports day, fest, venue details, half-day closure etc. The Bus fees as paid by me is not available in portal.

## Q14 How could the student's experience at IEM be improved ?

Answered: 13 Skipped: 9

## Q15 Any other comments/suggestion ?

Answered: 12 Skipped: 10

## **ANNEXURE - II**

**PUBLICATIONS LIST**  
**(YEAR WISE)**

**Department: Electronics and Communication Engineering (ECE)**

<b><u>Department</u></b>	<b><u>Year</u></b>	<b><u>No of Publications (International+National)</u></b>
ECE	2017-18	63
ECE	2016-17	66
ECE	2015-16	56
ECE	2014-15	60
ECE	2013-14	51
		<b>Total: 296</b>

**YEAR: 2017-18**

1. A.Chattopadhyay et al, “Non-uniform Quantized Data Fusion Rule Alleviating Control Channel Overhead for Cooperative Spectrum Sensing in Cognitive Radio Networks”. in Proc. Advance Computing Conference (IACC), 2017 IEEE International, (Accepted). IEEE, 2017.
2. “Evaluation of Argon ion irradiation hardening of ferritic/martensitic steel- T91 using nanoindentation, X-ray diffraction and TEM techniques”, N Naveen Kumar, R Tewari, P Mukherjee, N Gayathri, PV Durgaprasad, GS Taki, JBM Krishna, AK Sinha, P Pant, AK Revally, BK Dutta, GK Dey, Radiation Effects and Defects in Solids, Taylor & Francis, 2017
3. “Design of ripple carry adder using CMOS output wired logic based majority gate”, Mili Sarkar, GS Taki, Rimi Sengupta, Soham Nandi Ray, 2017 8th Annual Industrial Automation and Electromechanical Engineering Conference (IEMECON), IEEE Conference, 2017
4. Progress in submicron device technology”, Soumik Kumar Kundu, Samit Karmakar, GS Taki, A Roy, C Choudhuri, M Basu, A Basak, R Upadhyay, A Raj, S Mandal, 2017 8th Annual Industrial Automation and Electromechanical Engineering Conference (IEMECON), IEEE Conference, 2017
5. “Conceptual design of a double antenna fed ECR plasma enhanced nano-film deposition system”, Samit Karmakar, Shamik Mukherjee, Soumik Kumar Kundu, Deepantee Jha, GS Taki, 2017 1st International Conference on Electronics, Materials Engineering and Nano-Technology (IEMENTech), IEEE Conference, 2017
6. “Design study of a portable permanent magnet ECR plasma source for thin film deposition”, Soumik Kumar Kundu, Samit Karmakar, Shamik Mukherjee, Shubham Majee, Suman Kundu, GS Taki, 2017 1st International Conference on Electronics, Materials Engineering and Nano-Technology (IEMENTech), IEEE Conference, 2017
7. “Comparative study of methodologies for Face detection”, Subham Mukherjee, Ayan Das, Sumalya Saha, Ayan Kumar Bhunia, Aishik Konwer, Sounak Lahiri and A. Chakraborty, Accepted in IEMENTech 2017 for Oral Presentation. 28th and 29th April, 2017.

8. Comparative experimental study on “useful life” of standard and commercially available AC and DC white PCLED bulbs under tropical condition, authored by A. Chakraborty, S. Gupta, S. Mukherjee, A. Mukherjee, S. Das, L. Bhowmick, P. Shalini, R. Ganguly and M. Mitra, Published in Industrial Automation and Electromechanical Engineering Conference (IEMECON), Bangkok, Thailand, 2017 8th Annual, 16-18 Aug. 2017, DOI 10.1109/IEMECON.2017.8079593, ISBN: 978-1-5386-2215-5.
9. Bandwidth enhancement of a microstrip patch antenna using Cuckoo Search optimization A Mukhopadhyay, S Lahiri, S Sen, S Chakraborty, S Mitra, S Banerjee, ... Electronics, Materials Engineering and Nano-Technology (IEMENTech), 2017 1st ... 2017
10. Bandwidth Enhancement of a Microstrip Patch Antenna Using Cuckoo Search Optimization MG Arunava Mukhopadhyay, Sounak Lahiri, Supantha Sen, Souvik Chakraborty ... IEEE 1st International Conference on Electronics, Materials Engineering and ... 2017
11. A Comparative study of different multilevel inverters Gautam Ghosh, Suman Sarkar, Shamik Mukherjee, Tiyasa Pal, Sabyasachi Sen IEMENTECH 2017
12. Study on 2.45 GHz Microwave Propagation in an ECR Plasma Enhanced Film Deposition System, 31st Indian Engineering Congress, December 2016.
10. Design of 1-Bit Full Adder Using NMOS based Negative Differential Resistance published in IEEE conference DevIC 2017.
13. Design of 1-bit Full Adder using  $\beta$ -driven threshold element, Madhusmita Paul; Neha Kapoor; Rohini Modak; Tathagata Paul; Rajarshi Roy Chaudhuri; Subhajit Dutta Chowdhury; Mili Sarkar 2017 1st International Conference on Electronics, Materials Engineering and Nano-Technology (IEMENTech) Year: 2017 Pages: 1 – 5 IEEE Conference Publications
14. “Study on 2.45 GHz Microwave Propagation in an ECR Plasma Enhanced Film Deposition System”, Soumik Kumar Kundu, Samit Karmakar, Mili Sarkar, GS Taki, 31st Indian Engineering Congress, The Institution of Engineers (India), Kolkata, 2016
15. Design of 1-Bit Full Adder Using NMOS based Negative Differential Resistance published in IEEE conference DevIC 2017. Mili Sarkar
16. Design of 1-bit Full Adder using  $\beta$ -driven threshold element, Madhusmita Paul; Neha Kapoor; Rohini Modak; Tathagata Paul; Rajarshi Roy Chaudhuri; Subhajit Dutta Chowdhury; Mili Sarkar 2017 1st International Conference on Electronics, Materials Engineering and Nano-Technology (IEMENTech) Year: 2017 Pages: 1 – 5 IEEE Conference Publications
17. Performance analysis of spectrum sensing in cognitive radio at low SNR environment S Chatterjee, S Ray, S Dutta, JS Roy Electronics, Materials Engineering and Nano-Technology (IEMENTech), 2017 1st ...
18. Development of equipment for in direct measurement and monitoring of blood pressure with audio visual devices 10.1109/IEMECON.2017.8079599- Sutapa Ray, Jayanta Bhattacharya
19. Implementation of a decoder based on low-density parity-check code for 8 bit logical ALU 10.1109/IEMECON.2017.8079598- Jayanta Bhattacharya
20. Automatic Prevention of Driving Under Influence with Detection of Road Accident IEEE Xplore Digital Library ,IEMENTech 2017, Conference
21. Smart Village IEEE Xplore Digital Libraray, IEMENTech 2017, Conference, T. K. Rana

22. Smart Transaction and Automation System for Banks IEEE Xplore Digital Libraray, IEMENTech 2017, Conference, T. K. Rana
23. Real Time Health Monitoring of Patients from a Remote Place IEEE Xplore Digital Libraray,IEMENTech 2017, Conference- T. K. Rana
24. "Closed form expression for Far Field Patterns of an Equilateral Triangular Dielectric Resonator Antenna", IEEE Transaction on Antenna and Propagation, January 2018
25. "Comments on Modal Charts of Cylindrical Dielectric waveguide", IEEE Transaction on Microwave theory and technique, February 2018
26. "Excitation of New Broadside Radiating Mode of Rectangular Dielectric Resonator Antenna with High Gain", IET Electronics Letters, February 2018
27. "Theory and Experiment on Horizontally inhomogeneous Rectangular Microstrip Antenna", IEEE Transaction on Antenna and Propagation, February 2018
28. "A NON-INVASIVE ELECTRICAL MEASUREMENT METHOD FOR JUNCTION TEMPERATURE MESUREMENT OF HIGH-POWER PC LEDs UNDER TROPICAL CONDITION",IEEE ICTP-2017, Bangladesh on 26-28 December, 2017
29. Image steganography on coloured images using edge based Data Hiding in DCT domain S Lahiri, P Paul, S Banerjee, S Mitra, A Mukhopadhyay, ... Information Technology, Electronics and Mobile Communication Conference ... 2016
30. A Projection Of Microwave Received Signal Anomaly Due To Air Pollution IEEE Xplore Digital Libraray,IEMECON 2017,International Conference at Bangkok- T. K. Rana
31. Green Energy Powered Smart Healthy Home IEEE Xplore Digital Libraray,IEMECON 2017, International Conference at Bangkok- T. K. Rana
32. Sudipta Maity and Bhaskar Gupta, "Resonant Frequency of  $30^{\circ}$ - $60^{\circ}$ - $90^{\circ}$  Triangular Dielectric Resonator at Fundamental Mode," AEÜ International Journal of Electronics and Communications, vol xx, pp. xx-xx, accepted on 13th Oct, 2017 (in press) (ISSN: 1434-8411, **SCI indexed**, Impact Factor: 0.89 in 2016)
33. Sudipta Maity and Bhaskar Gupta, "Radiation Characteristics of an Isosceles  $45^{\circ}$ - $45^{\circ}$ - $90^{\circ}$  Triangular Microstrip Antenna," IETE Journal of Research, vol xx, pp. 1-10, May, 2017 (in press) (<http://dx.doi.org/10.1080/03772063.2017.1341820>) (ISSN: 0377-2063, **SCI indexed**, Impact Factor: 0.99 in 2016)
34. 2. A Machine Learning Based Approach for Hand Gesture Recognition using Distinctive Feature Extraction. IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301631" pp.91-98
3. "Accident and Alcohol Detection in Bluetooth enabled Smart Helmets for Motorbikes". IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301639" pp.584-590
4. Space Effective and Encrypted QR Code with Sender Authorized Security Levels, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301640" pp.439-443
5. A Low Cost Remote Controlled Underwater Rover Using Raspberry Pi, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301657" pp.769-772
6. Advanced IOT Based Combined Remote Health Monitoring, Home Automation and Alarm System, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301659" pp.602-606
7. A Raspberry Pi Controlled Cloud Based Air and Sound Pollution Monitoring System with Temperature and Humidity Sensing, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301660" pp.607-611

8. IOT-Based Drone for Improvement of Crop Quality in Agricultural Field, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301662" pp.612-615
9. Low Power Shorted Gate Fin-FET Based High Performance Amplifier, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301778" pp.415-420
10. Performance Optimization in Flip Flop Circuit Design, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301779" pp.421-423
11. A cloud based autonomous multipurpose system with self-communicating bots and swarm of drones, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301781" pp.649-653
12. A low cost fully autonomous GPS (Global Positioning System) based Quad copter for disaster management, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 "10.1109/CCWC.2018. 8301782" pp.654-660
13. Low Power Shorted Gate Fin-FET Based High Performance Amplifier, IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 pp. 415-420
14. Performance Optimization in Flip Flop Circuit Design , IEEE 8th Annual Computing and Communication Workshop and Conference (CCWC), 2018 pp. 421-423
15. Monolithic high performance InGaN/GaN white LEDs with a tunnel junction cascaded yellow and blue light-emitting structures, Optical Materials DOI: 10.1016/j.optmat.2018.01.021

### **YEAR:2017**

1. Pollution control using Internet of Things (IoT) , IEEE Conference Publications IEMEC ON, 2017 ,DOI: 10.1109/IEMEC ON.2017.8079,563
2. Monitoring patient's health with smart ambulance system using Internet of Things (IOTs), IEEE Conference Publications IEMEC ON, 2017 ,DOI: 10.1109/IEMEC ON.2017.8079568
3. Internet of Things (IoT) on bio-technology, IEEE Conference Publications, \_IEEE Conference Publications IEMEC ON, 2017 ,DOI: 10.1109/IEMEC ON.2017.8079624
4. IoT solutions for smart cities, IEEE Conference Publications IEMEC ON, 2017, DOI: 10.1109/IEMEC ON.2017.8079624
5. Internet of Things based garbage monitoring system, IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079575
6. Waste management using Internet of Things (IoT), IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079623
7. Health monitoring using Internet of Things (IoT), IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079564
8. Disaster management using Internet of Things , IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079564
9. A load balanced routing protocol for mobile sensor network , IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079576
10. Movie recommendation system using particle swarm optimization, IEEE Conference Publications IEMEC ON, 2017 , DOI : 10.1109/IEMEC ON.2017.8079574
11. Recent Trends in the Internet of Things, IEEE 7th Annual Computing and Communication Workshop and Conference (CCWC), 2017, DOI : 10.1109/CCWC. 2017.7868439
12. Low cost Ultrasonic Smart Glasses for Blind, IEEE Conference Publications IEMCON , DOI: 10.1109/IEMCO N.2017.8117194

13. Multi-Operational Home Automation System using IOT, IEEE Conference Publications IEMCON , DOI: 10.1109/IEMCON.2017.8117232
14. Improved Performance of InGaN/GaN Based Light-Emitting Diodes With Step Multiple Quantum Well Structures, 4 th International Conference on 'Microelectronics, Circuits and Systems', Micro2017, "ISBN: 978-93-80813-45-5",pp-112-16
15. Enhanced Performance of GaN/InGaN Multiple Quantum Well LEDs by Shallow First Well and Stepped Electron Blocking Layer, International Conference on Communication, Devices and Computing (ICCDC)
16. A comparative study of different multilevel inverters, 2017 1st International Conference on Electronics, Materials Engineering and Nano-Technology (IEMENTech), "ISBN: 978-1-5090-0996-1" Pages: 1-6
17. An Univariate Feature Elimination Strategy for Clustering Based on Metafeatures, International Journal of Intelligent Systems and Applications (IJISA), Vol. 9, No. 10, 20-29
18. Comparative Performance Analysis between nRF24L01+ and XBEE ZB Module Based Wireless Ad-hoc Networks, International Journal of Computer Network and Information Security (IJCNIS), Volume 9,36-44
19. Implementation Of Personal Area Network for Secure Routing in MANET by using Low Cost Hardware.,Turkish Journal Of Electrical Engineering & Computer Sciences Vol 25, Number 1 pp.235-246
20. Small and Large Signal Analysis using Circuit Model of InGaAs/InP based Uni- Travel Carrier Photodiode Optical & Quantum Electronics, Springer, DOI: 10.1007/s11082- 017-1205-2,
21. Step multiple quantum well enabled performance enhancement in InGaN/GaN based light-emitting diodes, Microsyst Technol "DOIhttps://doi.org/10.1007/s00542-017-3567-6"
22. Improved performance of InGaN/GaN MQW LEDs with trapezoidal wells and gradually thinned barrier layers towards anode ,Optics Communications , "DOI:https://doi.org/10.1016/j.optcom.2017.04.079"
23. Thin Film Dichalcogenide MoSe<sub>2</sub> Solar Cell with Optimized Design Parameters, IOSR Journal of Electronics and Communication Engineering (IOSR- JECE), Volume 12

#### **YEAR:2016**

1. Recent trends in implementation of Internet of Things — A review, proc. Of IEEE 7th Annual Information Technology, Electronics and Mobile Communication Conference (IEMCON), pp.1-6
2. Heart-rate detection and tracking human body movements through walls at home, proc. Of IEEE 7th Annual Information Technology, Electronics and Mobile Communication Conference (IEMCON), pp. 1 – 4
3. High Power Amplifier Photodiode Combining Unitraveling Carrier Photodiode and HEMT, 4th National Conference on Materials, Devices and Circuits in Communication Technology (MDCCT 2016),
4. 30°-60°-90° Triangular Dielectric Resonator Antenna: A new shaped Dielectric Resonator Antenna," 2016 IEEE 7th Annual Information Technology, Electronics and Mobile Communication Conference (IEMCON), "ISBN: 978-1-5386-1703-8", pp. 1-4
5. Development of Home Intruder Tracking System Using Face Recognition, 2016 FIFTH INTERNATIONAL CONFERENCE ON RECENT TRENDS IN INFORMATION TECHNOLOGY, "978-1-4673-9802-2/16/ 2016 IEEE"
6. An Administrator and Fidelity based Secure Routing Protocol in MANET , CIT Journal of Computing and Information Technology, Vol 24, Issue 1 , pp.31-43
7. DC Motor movement controlled by Gesture Orientation using ARDUINO, International Journal of Engineering Research in Electronics and Communication Engineering., Vol 3, Issue 4
8. "Reduction of Efficiency Droop for InGaN/GaN Multiple Quantum Well Light Emitting Diodes using AlGaIn/GaN Superlattice structure" , IEMCON-2016 , "Electronic ISBN: 978-1-5090-0996-1".

#### **YEAR:2015**

1. Modified Ant Colony Optimization (ACO) based routing protocol for MANET, proc. of International Conference and Workshop on Computing and Communication (IEMCON), pp.1 – 7
2. A review on different Intrusion Detection Systems for MANET and its vulnerabilities, proc. Of International Conference and Workshop on Computing and Communication (IEMCON)., pp.1 – 7
3. Review on intelligent routing in MANET, proc. of International Conference and Workshop on Computing and Communication (IEMCON ), pp.1 –6
4. Energy efficient routing in mobile ad-hoc networks, proc. of International Conference and Workshop on Computing and Communication (IEMCON ), pp.1 –6
5. Traveling Wave Model of Uni-travelling Carrier Photodiode, International Conference on Optics and Photonics (ICOP 2015)
6. Uni-Traveling Carrier Photodiode for THz Broadband Transmitter., Conferences on Photonics for Imaging and Sensing
7. Photoresponse Characteristics from Computationally Efficient Dynamic Model of Uni-traveling Carrier Photodiode, 15th International Conference on Numerical Simulations on Optoelectronics Devices (NUSOD 2015),
8. Performance Comparison of In<sub>0.53</sub>Ga<sub>0.47</sub>As and GaAs<sub>0.51</sub>Sb<sub>0.49</sub> based UTC-PD by Traveling Wave Model, 6th International Conference on Computers and Devices (CODEC 2015)
9. Gesture following dc motor control, INTERNATIONAL CONFERENCE ON APPLICATIONS OF ENGINEERING, science & TECHNOLOGY - 2015 ICAET2015, "ISBN no. 978-81-908980-7-2"
10. Development of obstacle detection technology with remote telemetering using GSM module, INTERNATIONAL CONFERENCE ON APPLICATIONS OF ENGINEERING, science & TECHNOLOGY - 2015 ICAET2015, "ISBN no. 978-81-908980-7-2"
11. Measurement and analysis of temperature using Raspberry Pi, INTERNATIONAL CONFERENCE ON APPLICATIONS OF ENGINEERING, science & TECHNOLOGY - 2015 ICAET2015, "ISBN no. 978-81-908980-7-2"
12. Approach of Designing a PID Temperature Controller using RTD, INTERNATIONAL CONFERENCE ON APPLICATIONS OF ENGINEERING, science & TECHNOLOGY - 2015 ICAET2015.
13. Implementation of Low Power Flip Flop Design in Nanometer Regime, Advanced Computing & Communication Technology, ROHTAK, IEEE Proceedings in ACCT-2015, pp. 252–25
14. Modified Fidelity Based On-Demand Secure (MFBOD) Routing Protocol in Mobile Ad- Hoc Network ., International Journal of Foundations of Computing and Decision Sciences (IJFCE)
15. Hardware Implementation of Fidelity based On- Demand Routing Protocol in MANETs., International Journal of Computer Network and Information Security (IJCNIS), Vol.7, No.13
16. Photo response Characteristics from Computationally Efficient Dynamic Model of Uni-traveling Carrier Photodiode, Optical and Quantum Electronics, Springer., 48., 001-011
17. Development of automated agricultural process monitoring and control technology in an enclosed system, International Organization of Scientific research, IOSR journal of Agriculture, "Vol 8, Issue 4 e-ISSN- 2319-2380, p- ISSN-2319-2372"
18. Modeling and Optimization of Nano Scale Sensing Shorted Gate FinFET D Flip Flop using AVL, Journal of Low Power Electronics., vol. 11, no. 3 , pp. 298-307
19. High Performance FinFET Based D Flip Flop Including Parameter Variation, Advances in Optical Science and Engineering, Springer Proceedings in Physics., vol. 166 , pp. 239-242
20. Comparative Analysis of MTCMOS and SVL Based Flip Flop Design, International Journal of Active & Passive Devices, vol. 10, No. 2 , pp. 155-166
21. Performance Analysis of Shorted Gate FinFET Delay Flip Flop using AVL, 30th M.P. Young Scientist Congress, Vol.30 ,pp-72

#### **YEAR: 2014**

1. Different Routing Protocols and Their Vulnerabilities and Their Measures, proc. of International Conference On Advances In Computer Science And Electronics Engineering (CSEE), pp.192-202
2. Circuit Model of UTC-PD with High Power and Enhanced Bandwidth Technique, 14th International Conference on Numerical Simulations on Optoelectronics Devices (NUSOD 2014),

3. A Lab view Based Real-Time Embedded System For Thought Control Using Brain Computer Interface, 11th IEEE India Conference (INDICON 2014), "ISBN 978-1-4799-5362-2"
4. A Review on Intelligence Secure Routing Protocols in the Mobile Ad hoc Networks., International Journal of Advanced Multidisciplinary Research(IJAMR), vol..1,no. 3 , pp.01–13
5. Modified Dynamic On-Demand Routing Protocol , International Journal of Emerging Trends and Technology in Computer Science (IJETTCS), vol. 3,no. 2,pp-139-141
6. Circuit Model of UTC-PD with High Power and Enhanced Bandwidth Technique, Optical and Quantum Electronics, Springer., 1397-1405
7. Studies on Reduction of Efficiency Droop in InGaN/GaN Multiple Quantum Well LEDs , INROADS (Special Issue),Vol-3,pp- 225-229

## **Department: Bachelors in Computer Application (BCA)**

<b><u>Department</u></b>	<b><u>Year</u></b>	<b><u>No of Publications (International+National)</u></b>
BCA	2018	22
BCA	2017	21
BCA	2016	18
BCA	2015	12
BCA	2014	12
		<b>TOTAL: 85</b>

### **YEAR: 2018**

1. COZMO - A New Lightweight Stream Cipher, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018)
2. Automated Medical Chatbot, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
3. Cryptanalysis of a Chaotic Key based Image Encryption Scheme, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
4. Community Detection Based Tweet Summarization, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
5. Recent Trends of Data Mining in Cloud Computing, IEEE & Springer sponsored International Conference IEMIS, 2018. (Accepted)
6. A feature selection technique based on rough set and improvised PSO algorithm (PSORS-FS) for permission based detection of Android malwares, International Journal of Machine Learning and Cybernetics, (Communicated) SCI
7. A new combined routing technique in Digital Microfluidic Biochip, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
8. A new homogeneous droplet transportation algorithm and its simulator to boost route performance in digital microfluidic biochips, International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
9. Bi clustering techniques over Microarray Data: A Review Work,, CSI Sponsored International Conference ICACDS, 2018. (Communicated)
10. Wifi Optimization using Parabolic Reflector and Blocking Materials in Intrusion Detection System ,, IEEE & Springer sponsored International Conference IEMIS, 2018. (Accepted)
11. Attribute Selection for Improving Spam Classification in Online Social Networks: A Rough Set Theory Based Approach,, Social Network Analysis and Mining, Springer
12. Summarizing Microblogs during Emergency Events: A Comparison of Extractive Summarization Algorithms., International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
13. Optimization in Infrastructure Security of Automated Meter Reading System , CSI Sponsored International Conference ICACDS, 2018. (Communicated)
14. A Radical Review on Triclustering over Microarray Gene Expression Data, CSI Sponsored International Conference ICACDS, 2018. (Communicated)
15. Attribute Selection for Improving Spam Classification in Online Social Networks: A Rough Set Theory Based Approach, Social Network Analysis and Mining, Springer
16. Community Detection Based Tweet Summarization , International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].

17. A Comparative Study on Cluster Analysis of Micro-Blogging Data , International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
18. Summarizing Microblogs during Emergency Events: A Comparison of Extractive Summarization Algorithms. , International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS2018) [Accepted].
19. Ensemble Algorithms for Microblog Summarization , IEEE Intelligent Systems[Communicated]. SCI
20. Cancer Prediction Based on Fuzzy Inference System., CSI Sponsored International Conference ICACDS, 2018. (Communicated)
21. Unsupervised Summarization Approach of Micro-Blog Data, CSI Sponsored International Conference ICACDS, 2018. (Communicated)
22. A Radical Review on Triclustering over Microarray Gene Expression Data , CSI Sponsored International Conference ICACDS, 2018. (Communicated)

### **YEAR: 2017**

1. A feature selection technique based on rough set and improvised PSO algorithm (PSORS-FS) for permission based detection of Android Malwares (communicated), International Journal of Machine Learning and Cybernetics, Springer
2. A Hybrid Community based Rough Set Feature Selection Technique in Android Malware Detection. , World Conference on Smart Trends in Systems, Security and Sustainability (WS4) London,2017.
3. Homogeneous droplet routing in DMFB: An enhanced technique for high performance bioassay implementation, Integration, the VLSI Journal
4. Mailbox Overflow by Triggering Python Application Using Virtual Environment, Hacking9,Practical Protection
5. Hacking using Data Mining with SQL Injection in Virtual Trading Environment , Hacking9,Practical Protection
6. Materials causing occlusion of Wifi signals ., CONFELT ,2017
7. An analytical study on Brain Injury due to an input rotational acceleration on skull-brain system of the Human head, Journal of Chemical, Biological and Physical Sciences
8. Attribute Selection for Improving Spam Classification in Online Social Networks: A Rough Set Theory Based Approach (Communicated) , IEEE Intelligent Systems
9. Feature Selection based Clustering on Micro-Blogging Data , 5th International Conference on Computational Intelligence in Data Mining (ICCIDM-2017)
10. Strength Pareto Evolutionary Algorithm based Gene Subset Selection , International Conference on Big Data Analytics and Computational Intelligence (ICBDACI 2017)
11. A graph based clustering technique for Tweet summarization , IEEE Xplore Digital Library indexed in 4th International Conference on Reliability, Infocom Technologies and Optimization (ICRITO 2015)
12. Investment and coordination decisions in a supply chain of agricultural products(Communicated), Operational Research Journal
13. The impact of power structure on the strategic inventory decision of the retailer in two-period supply chain model(submitted), Computers & Industrial Engineering Journal
14. Strategic inventory: Manufacturer vs. retailer investment , Transportation Research Part E: Logistics and Transportation Review SCI
15. Deposition, acute toxicity, and bioaccumulation of nickel in some freshwater organisms with best-fit functions modeling(Accepted), Environmental Science and Pollution Research, SCI
16. Optimal retailer investments in green operations and preservation technology for deteriorating items, Journal of Cleaner Production SCI
17. Challenges of implementing data warehouse in MongoDB environment , IEEE International Conference on Communication, Management and Information Technology (ICCMIT 2017)
18. A genetic algorithm based tweet clustering technique , International Conference on Computer Communication and Informatics (ICCCI)
19. Feature Selection based Clustering on Micro-Blogging Data , 5th International Conference on Computational Intelligence in Data Mining (ICCIDM-2017)
20. Attribute Selection for Improving Spam Classification in Online Social Networks: A Rough Set Theory Based Approach (Communicated), IEEE Intelligent Systems

21. Ensemble Algorithms for Micro blog Summarization(Communicated , Social Network Analysis and Mining, Springer

### **YEAR: 2016**

1. DMDAM: Data Mining based Detection of Android Malware , Proceedings of the First International Conference on Intelligent Computing and Communication
2. Community Based Feature Selection Method for Detection of Android Malware , Journal of Global Information Management (JGIM) (In Press) SCI
3. Comparative Analysis of different Feature Ranking Techniques in Data Mining based Android Malware Detection , 5th International Conference on Frontiers of Intelligent Computing: Theory and applications (FICTA ) 2016
4. A new heterogeneous droplet routing technique and its simulator to improve route performance in Digital Microfluidic Biochips , International Conference on Microelectronics, Computing and Communication(MicroCom2016)
5. Cryptanalysis of Chaos-Based Image Encryption Algorithm , VSRD International Journal of Computer Science &Information Technology
6. Crash Failure Immune Offloading Framework , IEEE International Conference on Advanced Networks and Telecommunications Systems (ANTS)
7. Effect of slip velocity and stenosis shape on blood flow through an atherosclerotic arterial segment using Bingham-Plastic fluid model , IJAMM
8. A Bingham Plastic Fluid Model for Multiple Stenosed Artery in the Presence of Magnetic Field and Slip Velocity , IEEE 7th Annual Information Technology, Electronics and Mobile Communication Conference sponsored by IEEE
9. Mathematical Analysis of the effect of Hematocrit in a stenosed artery using Wilburn-Schneck model , IEEE 7th Annual Information Technology, Electronics and Mobile Communication Conference
10. An analytical study on the dynamic response of a fluid-filled spherical shell subjected to a local radial and axi-symmetric load , American Journal of Electronics & Communication
11. Simultaneous Feature Selection and Cluster Analysis using Genetic Algorithm , International Conference on Information Technology
12. A hybrid probabilistic fuzzy goal programming approach for agriculture decision-making , International Journal of Production Economics
13. Dual channel closed-loop supply chain coordination with a reward-driven remanufacturing policy , International Journal of Production Research
14. Channel characteristics and coordination in three-echelon dual-channel supply chain , International Journal of Systems Science
15. Fuzzy Bi-Objective Production-Distribution Planning Problem under the Carbon Emission Constraint ,
16. The Distribution-Free Newsboy Problem with Multiple Discounts and Upgrades , Mathematical Problems in Engineering
17. State transition in communication under social network: An analysis using fuzzy logic and Density Based Clustering towards big data paradigm, Future Generation Computer Systems
18. Tracking of experts for enhancement of activities in social network: an analysis of collaborative activity on Wikipedia by applying fuzzy logic, International Journal of Advanced Intelligence Paradigms

### **YEAR: 2015**

1. Smart Security Management in Trusted Devices , International Journal of Computer Science and Network Security
2. Shared parameters with symmetric key in E-MAIL security, Computing and Communication (IEMCON), 2015 International Conference and Workshop
3. A Genetic Algorithm Based Tweet Clustering Technique , IEEE Xplore Digital Library indexed in International Conference on Computer Communication and Informatics (ICCCI 2017)
4. A fuzzy goal programming approach to allocation of space in shopping mall , Proceedings of International Conference on Advances in Management and Decision Sciences, GBU, India

5. A genetic algorithm approach to solve an agricultural planning problem considering the effect of greenhouse gas emission , Proceedings of 2015 DSI Conference, Seattle, USA
6. Deposition of chromium in aquatic ecosystem from effluents of handloom textile industries in Ranaghat–Fulia region of West Bengal, India , Journal of advanced research
7. Utilization of fermented animal by-product blend as fishmeal replacer in the diet of Labeo rohita , Aquaculture Reports
8. Supply chain coordination contracts with inventory level and retail price dependent demand, International Journal of Production Economics
9. A comparative study of optimal replenishment policy for a retailer in declining market., International Journal of Procurement Management
10. Mail-in-rebate coupled with revenue sharing and downward direct discount for supply chain coordination ,International Journal of Operational Research
11. Supply Chain Coordination Under Ramp-Type Price and Effort Induced Demand Considering Revenue Sharing Contract, Asia-Pacific Journal of Operational Research
12. A graph based clustering technique for tweet summarization , 4th International Conference on Reliability, Infocom Technologies and Optimization (ICRITO) (Trends and Future Directions) 2015

### **YEAR: 2014**

1. SPREADING BEHAVIOUR OF VIRUSES INTO MOBILE NETWORK : A STUDY, 3rd IEEE International Conference on Informatics, Electronics & Vision (ICIEV)
2. VHDL Modeling of Intrusion Detection & Prevention System (IDPS) – A Neural Network Approach, International Journal of Computer Trends and Technology (IJCTT)
3. An Estimation Method of Measuring Image Quality for Compressed Images of Human Face , International Journal of Computer Trends and Technology (IJCTT)
4. A novel wire planning technique for optimum pin utilization in Digital Microfluidic Biochips , VLSI Design and 2014 13th International Conference on Embedded Systems, 2014 27th International Conference
5. Multilevel Crypto Image Cryptanalysis & Verification., International Journal of Advanced Computer Science and Applications
6. Modified Dynamic MANET on-demand (DYMO) Routing Protocol , International Journal of Emerging Trends & Technology in Computer Science (IJETTCS)
7. Optimal order quantity of retailer with quadratic ramp-type demand under supplier trade credit financing, International Journal of Management Science and Engineering Management
8. Discovering Flow of Sentiment and Transient Behavior of Online Social Crowd: An Analysis Through Social Insects,
9. A unique approach for Market Basket Analysis under the framework of Probability Based Association Rule Learning, International Journal of Computer Applications in Engineering Sciences
10. A Radical Approach for Bengali Proper Verb, Tense, Person Tagging and Disambiguation of verb under the framework of Natural Language Processing, IEEE & IETE sponsored National Conference on Emerging Trends in Engineering and Science (ETES)
11. Sentiment Detection in Online Content: A WordNet Based Approach , Swarm, Evolutionary, and Memetic Computing. SEMCCO 2014
12. Predicting Trends in the Twitter Social Network: A Machine Learning Approach , Swarm, Evolutionary, and Memetic Computing. SEMCCO 2014

### **YEAR: 2017**

1. "Traffic Surveillance Using Image Recognition on Distributed Platform"  
TK Hazra, S Choudhury, SP Chattopadhyay  
International Journal of Science and Research (IJSR) 6 (4), 612-616
2. "A Lightweight Trust Mechanism and Overhead Analysis for Clustered WSN"  
M Singh, AR Sardar, K Majumder, SK Sarkar  
IETE Journal of Research, 1-12
3. "A Divide-and-Conquer Algorithm for All Spanning Tree Generation"  
M Chakraborty, R Mehera, RK Pal  
Advanced Computing and Systems for Security (Springer Book Chapter), 19-36
4. "Transport of Spherical Nanoparticles Suspended in a Blood Flowing Through Stenose Artery Under the Influence of Brownian Motion"  
S Changdar, S De  
Journal of Nanofluids 6 (1), 87-96
5. SiLERT: Automated Involuntary Silent Alert Self-Defense System  
MC Rheya Chakraborty  
IN Patent App. 201,731,007,342
6. A hybrid cryptosystem of image and text files using blowfish and Diffie-Hellman techniques  
TK Hazra, A Mahato, A Mandal, AK Chakraborty  
Industrial Automation and Electromechanical Engineering Conference (IEMECON)
7. Hybrid image encryption and steganography using SCAN pattern for secure communication  
TK Hazra, R Samanta, N Mukherjee, AK Chakraborty  
Industrial Automation and Electromechanical Engineering Conference (IEMECON)
8. Multi-variable bijective mapping for secure encryption and decryption  
NU Sheikh, TK Hazra, H Rahman, K Mustafi, AK Chakraborty  
Industrial Automation and Electromechanical Engineering Conference (IEMECON)
9. Optical character recognition using KNN on custom image dataset  
TK Hazra, DP Singh, N Daga  
Industrial Automation and Electromechanical Engineering Conference (IEMECON)

- 10. Sentiment learning using Twitter ideograms**  
TK Hazra, Y Bihani, S Mishra  
Industrial Automation and Electromechanical Engineering Conference (IEMECON)
- 11. Traffic Surveillance Using Image Recognition on Distributed Platform**  
TK Hazra, S Choudhury, SP Chattopadhyay  
International Journal of Science and Research (IJSR) 6 (4), 612-616
- 12. A Survey on Machine Learning: Concept, Algorithms and Applications**  
RNB, Kajaree Das  
International Journal of Innovative Research in Computer and Communication ...
- 13. Emotion based Classification of Human Voice using an Optimized Machine Learning Approach**  
SD Rabi Narayan Behera, Pulak Baral, Subindu Saha  
International Journal of Control Theory and Applications 10 (1), 5
- 14. Emotion based Classification of Human Voice using an Optimized Machine Learning Approach**  
SD Rabi Narayan Behera  
2nd International Conference on Sustainable Computing Techniques in ...
- 15. Hybrid Movie Recommendation System based on PSO based Clustering**  
SD Rabi Narayan Behera  
International Journal of Control Theory and Applications 10 (18), 41-49
- 16. Minimum Spanning Tree using Heap**  
M Chakraborty, R Singh, R Mehta  
IJSER 8 (5), 1755-1761
- 17. Intellimote: a hybrid classifier for classifying learners' emotion in a distributed e-learning environment**  
L Mandal, R Das, S Bhattacharya, PN Basu  
Turkish Journal of Electrical Engineering & Computer Sciences 25 (3), 2084-2095
- 18. An approach to incorporate teachers' individual teaching and evaluation strategies and experience in tutoring model of an Intelligent Tutoring System**  
L Mandal, S Bhattacharya, PN Basu  
International Journal of Hybrid Intelligent Systems, 1-9
- 19. A Lightweight Trust Mechanism and Overhead Analysis for Clustered WSN**  
M Singh, AR Sardar, K Majumder, SK Sarkar  
IETE Journal of Research 63 (3), 297-308

## **YEAR: 2016**

- 1. "A novel approach to enhance the security dimension of RSA algorithm using bijective function"**  
K Mustafi, N Sheikh, TK Hazra, M Mazumder, I Bhattacharya,  
Information Technology, Electronics and Mobile Communication Conference .
- 2. "Image encryption by blockwise pixel shuffling using Modified Fisher Yates shuffle and pseudorandom permutations"**  
TK Hazra, S Bhattacharyya  
Information Technology, Electronics and Mobile Communication Conference ...
- 3. "Image encryption and decryption using phase mask over sinusoidal single and cross grating"**

- TK Hazra, N Kumari, S Priya, AK Chakraborty  
Information Technology, Electronics and Mobile Communication Conference ...
4. "A comparative study of Travelling Salesman Problem and solution using different algorithm design techniques"  
TK Hazra, A Hore  
Information Technology, Electronics and Mobile Communication Conference ...
5. "Image encryption and decryption using phase mask over sinusoidal single and cross grating"  
TK Hazra, N Kumari, S Priya, AK Chakraborty  
Information Technology, Electronics and Mobile Communication Conference ...
6. "A comparative study of Travelling Salesman Problem and solution using different algorithm design techniques"  
TK Hazra, A Hore  
Information Technology, Electronics and Mobile Communication Conference ...
7. "Encrypted Image Retrieval System: A machine learning approach"  
TK Hazra, SR Chowdhury, AK Chakraborty  
Information Technology, Electronics and Mobile Communication Conference ...
8. "Matrix Multiplication using Strassen's Algorithm on CPU & GPU"  
U Ray, TK Hazra, UK Ray  
IJCSSE 4 (10), 98-105
9. "A New Approach to Identify the Fracture Zone and Detection of Bone Diseases of X-Ray Image"  
TK Hazra, S Dutta  
IJSR 5 (9), 1640-1646
10. "A New Perspective of Wavelet Based Image Denoising Using Different Wavelet Thresholding"  
TK Hazra, A Mazumder, D Maity  
IJSR 5 (8), 1504-1509
11. "Handwritten English Character Recognition Using Logistic Regression and Neural Network"  
TK Hazra, R Sarkar, A Kumar  
International Journal of Science and Research (IJSR) 5 (6), 750-754
12. "Comparing Wavelet and Wavelet Packet Image Denoising Using Thresholding Techniques"  
TK Hazra, R Guhathakurta  
IJSR 5 (6), 2319-7064
13. "Performance evaluation of Nash Bargaining Power sharing algorithm for integrated cellular phone system"  
M Chakraborty, SR Chatterjee, S Ray  
Electrical, Computer and Electronics Engineering (UPCON), 2016 IEEE Uttar ...
14. "An Intelligent Trace Revelation System to Combat terrorism"  
JC Mohuya Chakraborty, Swagata Roy Chatterjee  
IN Patent App. 201,631,012,255
15. "A Low Cost Intelligent Intrusion Detection and Prevention System"  
IM Mohuya Chakraborty  
IN Patent App. 201,631,000,567
16. "Security in Grid Based Robot Navigation using REST"  
Raja Mukhopadhyay, I Mukhopadhyay  
American Journal of Software Engineering 4 (1), 1-5
17. "Home automation and grid mapping technology using IoT"

- R Mukhopadhyay, I Mukhopadhyay  
Information Technology, Electronics and Mobile Communication Conference ...
- 18.** "Data encryption in virtual machine transfer over cloud network"  
R Mukhopadhyay, I Mukhopadhyay  
Information Technology, Electronics and Mobile Communication Conference ...
- 19.** "A unique approach to design an intrusion detection system using an innovative string searching algorithm and DNA sequence"  
Nazimuddin Sheikh, Kanyasree Mustafi, Indraneel Mukhopadhyay  
2016 IEEE 7th Annual Ubiquitous Computing, Electronics & Mobile ...
- 20.** "Study on Secure Virtualization in the Cloud"  
Raja Mukhopadhyay, I Mukhopadhyay  
International Journal of Advances In Computer Science and Cloud Computing 4 ...
- 21.** "A Low Cost Intelligent Intrusion Detection and Prevention System"  
Mohuya Chakraborty, Indraneel Mukhopadhyay  
IN Patent 201,631,000,567 A
- 22.** "INTERNET INDEPENDENT MOBILE LOCATION TRACKING SYSTEM"  
C Dutta, A Mukherjee, L Mandal  
International Journal of Emerging Trends & Technology in Computer Science ...
- 23.** "A bio inspired and trust based approach for clustering in WSN"  
RR Sahoo, AR Sardar, M Singh, S Ray, SK Sarkar  
Natural Computing 15 (3), 423-434
- 24.** "KT3F: A Key-Based Two-Tier Trust Management Filtering Scheme for Intrusion Detection in Wireless Sensor Network"  
M Singh, R Das, MK Sarkar, K Majumder, SK Sarkar  
Proceedings of the Second International Conference on Computer
- 25.** "Design and Development of an Intelligent Home Automation and Security System"  
AA Avijit Bose, Akash  
IJCSN International Journal of Computer Science and Network 5 (1)
- 26.** "A Divide-and-Conquer Algorithm for All Spanning Tree Generation"  
RKP Maumita Chakraborty, Ranjan Mehera  
3rd International Doctoral Symposium on Applied Computation and Security Systems
- 27.** "Sampling based hybrid algorithms for imbalanced data classification"  
S Dash, RN Behera  
International Journal of Hybrid Intelligent Systems 13 (2), 77-86
- 28.** "A Particle Swarm Optimization based Hybrid Recommendation System"  
RN Behera, S Dash  
International Journal of Knowledge Discovery in Bioinformatics (IJKDB) 6 (2 ...
- 29.** "Big Data-Concepts, Tools and Foresight"  
SC Ravi Shaw , Samiddha Mukherjee, Nilanjan Haldar  
International Journal of Computer Science and Information.
- 30.** "Performance analysis of various attacks under AODV in WSN & MANET using OPNET 14.5"  
R Das, S Bal, S Das, MK Sarkar, D Majumder, A Chakraborty, K Majumder  
Ubiquitous Computing, Electronics & Mobile Communication Conference (UEMCON)

31. "Health condition identification of affected people in post disaster area using DTN"  
A Roy, S Mahanta, M Tripathy, S Ghosh, S Bal  
Ubiquitous Computing, Electronics & Mobile Communication Conference (UEMCON)
32. "An Intelligent Survey of Personalized Information Retrieval using Web Scraper"  
SS Bhaskar Ghosh Dastidar, Devanjan Banerjee  
International Journal of Education and Management Engineering 5 (3), 24-31
33. "An efficient technique for author name disambiguation"  
R Hazra, A Saha, SB Deb, D Mitra Current Trends in Advanced Computing (ICCTAC), IEEE International Conference

### **YEAR: 2015**

1. "File encryption using Fisher-Yates Shuffle TK Hazra, ...International Conference and Workshop on Computing and Communication" (IEMCON)
2. "Mitigating the adversities of social media through real time tweet extraction system"  
TK Hazra, .International Conference and Workshop on Computing and Communication (IEMCON).
3. "A New Approach to Compressed Image Steganography Using Wavelet Transform"  
TK Hazra, A Anand, A Shyam, AK Chakraborty IOSR Journal of Computer Engineering (IOSR-JCE) 17 (5), 53-59
4. "Analysis of Titles from the Questions of the Stack Overflow Community Using Natural Language Processing (NLP) Techniques" TK Hazra, A Sengupta, A Ghosh IOSR Journal of Computer Engineering (IOSR-JCE) 17 (4), 17-28
5. "A Comparative Study of Bertalmio and Exemplar Based Image Inpainting"  
TK Hazra, R Mitra, J Bhattacharya International Journal of Science and Research (IJSR) 4 (6), 953-958
6. "Heuristic Intrusion Detection and Prevention System"  
I Mukhopadhyay, KS Gupta, D Sen, P Gupta International Conference and Workshop on Computing and Communication (IEMCON ..
7. "An Affective and Adaptive E-Learning System: A Machine Learning Based Approach"  
L Mandal, N Mukherjee, S Bhattacharya, PN Basu International Journal of Scientific & Engineering Research 6 (9), 310-317
8. "Lightweight trust model for clustered WSN" M Singh, AR Sardar, RR Sahoo, K Majumder, S Ray, SK Sarkar  
Proceedings of the 3rd International Conference on Frontiers of Intelligent ...
9. "Intelligent intrusion detection system in wireless sensor network" AR Sardar, RR Sahoo, M Singh, S Sarkar, JK Singh, K Majumder Proceedings of the 3rd International Conference on Frontiers of Intelligent ..
10. "A Study of Contrast Enhancement by Image Fusion using Edge Detection Techniques"  
P Ghosh, D Dasgupta, D Ghosh International Journal of Computer Applications 122 (13)
11. "Hypergraph based query optimization" S Sen, M Ghosh, A Dutta, B Dutta Computer Communication and Informatics (ICCCI), 2015 International ...
12. "Analysis of non-linear pulsatile blood flow in artery through a generalized multiple stenosis"  
S Changdar, S De Arabian Journal of Mathematics, 1-11
13. "Numerical simulation of Nonlinear Pulsatile Newtonian Blood Flow through a Multiple Stenosed Artery"

S Changdar, S De International Scholarly Research Notices 2015 (<http://dx.doi.org/10.1155> .

14. "An optimized hyper kurtosis based modified duo-histogram equalization (HKMDHE) method for contrast enhancement purpose of low contrast human brain CT scan images"

S Mukhopadhyay, N Ghosh, R Burman, PK Panigrahi, S Pratiher, ...  
Advances in Computing, Communications and Informatics (ICACCI), 2015 ...

15. "A comparative study between proposed Hyper Kurtosis based Modified Duo-Histogram Equalization (HKMDHE) and Contrast Limited Adaptive Histogram Equalization (CLAHE) for Contrast Enhancement Purpose of Low Contrast Human Brain CT scan images" S Mukhopadhyay, S Mandal, S Pratiher, S Changdar, R Burman, N Ghosh, ...arXiv preprint arXiv:1505.06219

16. A Survey of Data Mining Applications and Techniques

S Mukherjee, R Shaw, N Haldar, S Changdar, International Journal of Computer Science and Information Technologies, Vol. 6 (5) , 2015, 4663-4666

17. "Shared parameters with symmetric key in E-MAIL security" S Bal, SK Deb Computing and Communication (IEMCON), 2015

18. "Power Consumption Optimization of Location Management in PCS Network"

SK Deb, S Bal International Journal of Computer Applications 117 (12)

19. "Dynamic Resource Reservation and Congestion Control in Real Time Communication System"

S Bal, K Banerjee International Journal of Engineering Research and General Science

20. "Effective Targeting of advertisements considering emotion detected from social media updates and other peer based factors" SS Saikat roy, Shivankar Singh American Journal of Advanced Computing 2 (4), 123-128

## **YEAR: 2014**

1. A Radical Approach for Bengali Proper Verb, Tense, Person Tagging and Disambiguation of verb under the framework of Natural Language Processing" A Sarkar, A Paul, A Mondal  
National Conference on Emerging Trends in Engineering and Science (ETES), 19-24

2. FPGA Implementation of Pipelined Blowfish Algorithm"

BP Mohuya Chakraborty, Swagata Roy Chatterjee, Soham Majumder  
2014 Fifth International Symposium on Electronic System Design, 208-209

2. Hardware Realization of Artificial Neural Network Based Intrusion Detection & Prevention System

I Mukhopadhyay, M Chakraborty , Journal of Information Security 5 (4), 154

3. "Image Encryption using pseudo random permutation"

CS Roy, HT Kumar, CA Kumar , American Journal of Advanced Computing 1.1, 2-4

4."Image Hiding Using Zigzag and Spiral Traversal Algorithms" M Subhendu , American Journal Of Advanced Computing 1 (1)

5. "Hardware Realization of Artificial Neural Network Based Intrusion Detection & Prevention System"

I Mukhopadhyay, M Chakraborty Journal of Information Security 5 (4), 154

6. "Simulation of Denial of Service (DoS) Attack using Matlab and Xilinx" I Mukhopadhyay, S Polle, P Naskar  
IOSR Journal of Computer Engineering (IOSR-JCE) 16 (Issue 3, Ver. IV), 119-125

7. "Web Penetration Testing using Nessus and Metasploit Tool" I Mukhopadhyay, S Goswami, E Mandal  
IOSR Journal of Computer Engineering (IOSR-JCE) 16 (3), 126-129

8. "Web Penetration Testing using Kali Linux" I Mukhopadhyay, R Ghosh, B Pakrasi  
1st International Science & Technology Congress, 275-282
9. "An efficient ant colony based routing algorithm for better quality of services in MANET" AR Sardar, M Singh, RR Sahoo, K Majumder, JK Sing, SK Sarkar  
ICT and Critical Infrastructure: Proceedings of the 48th Annual Convention ...
10. "A unique approach for Market Basket Analysis under the framework of Probability Based Association Rule Learning" A Sarkar, A Paul, A Mondal, A Ghosh  
International Journal of Computer Applications in Engineering Sciences 4 .
11. "A Steganographic Approach to Data Obfuscation using Random Keyboard Mapping Technique"  
K Pal, R Das, RS Singh, D Mukherjee International Journal of Computer Applications 105 (11)
12. "A Novel Pattern Matching Algorithm in Genome Sequence Analysis"  
AP Gope, RN Behera ) IJCSIT International Journal of Computer Science and Information ...
13. "Artificial neural network: A soft computing application in biological sequence analysis"  
RN Behera International Journal of Computational Engineering Research 4 (4), 1-13
14. "NUMERICAL SIMULATION OF NONLINEAR NEWTONIAN BLOOD FLOW THROUGH A STENOSED ARTERY UNDER THE INFLUENCES OF PERIODIC BODY ACCELERATION"  
SDSG Satyasan Changdar 5th International and 41st National Conference on Fluid Mechanics and Fluid .
15. "Modified Duo-Histogram Equalization Algorithm for Contrast Enhancement of Low Contrast Medical Images Based On Hyper-Kurtosis and Its Application vs. Contrast Enhancement Dye"  
SLSD Soham Mandal, Satyasan Changdar, Sohini De, Diptarka Saha IEMCON 2014.
16. "ANALYSIS OF BLOOD FLOW THROUGH MULTI-IRREGULAR SHAPE STENOSED ARTERY"  
SD Satarupa Das, Soma Das, Satyasan Changdar International Journal of Pharmacy and Biological Sciences 4 (2), 244-252
17. "LIGHT FIDELITY FOR POSITION DETECTION" S Bal International Journal of Research in Engineering and Technology
18. "Routing based on Receiver Feedback with Resource Reservation in Real Time Communication"  
S Bal, K Banerjee , International Journal of Innovative Research in Advanced Engineering (IJIRAE) ISSN: 2349-2163
19. "Micro-Controlled Automated Smart Tag-based Attendance Register (M. A. S. T. A. R)"  
SS Abhishek Goswami, Animesh Mukhopadhyay International Conference on Microelectronics, Circuits and Systems (MICRO-2014)
20. "Automatic SQL Query Formation from Natural Language Query"  
SS Prasun Kanti Ghosh, Sagarjya Dey IJCA Proceedings on International Conference on Microelectronics, Circuits.

### **YEAR: 2014**

1. "FPGA Implementation of Pipelined Blowfish Algorithm" BP Mohuya Chakraborty, Swagata Roy Chatterjee, Soham Majumder ,2014 Fifth International Symposium on Electronic System Design, 208-209
2. Hardware Realization of Artificial Neural Network Based Intrusion Detection & Prevention System

**TO WHOM IT MAY CONCERN**

This is to certify that Kuntal Sengupta and Pritom Paul, 4<sup>th</sup> year students of the **Department of Electronics and Communication Engineering, IEM Kolkata**, successfully completed their B.Tech project on the topic of "Generation of hybrid entanglement via multipartite entanglement swapping".

The project work was carried out under my supervision at the Center for Astroparticle Physics and Space Science, Bose Institute, Sector V, Salt Lake, Kolkata.

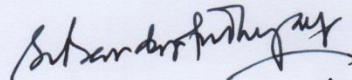

Duration of the project: January 2016—April 2017

**Internal Mentor: Prof. Indranil Basu, Dept. of ECE, IEM, Kolkata**

In my opinion, Kuntal and Pritom performed exceedingly well. They obtained pretty good results which upon further research may lead to a publication.

I will be happy to supervise motivated students from ECE department in the future.

## MEMORANDUM OF UNDERSTANDING

This agreement is made between

De Montfort University (the University)

and

INSTITUTE OF ENGINEERING AND MANAGEMENT, KOLKATA (the Institution)

in order to declare their joint intention to co-operate in some or all of the fields of academic endeavour to their joint benefit.

The University and the Institution (the Partners) agree to explore opportunities for collaboration in the areas of activity described hereunder: -

- student exchange
- staff exchange and staff visits
- collaboration in the provision of programmes or parts of programmes of study
- collaboration in the provision of programmes offered jointly with the University and leading to awards of the University or of External Agencies which have delegated authority to the University for awards.
- recognition of equivalence and/or accreditation of the awards of the Institution
- academic subject development
- development of teaching and learning strategies or materials
- collaborative research activities
- collaborative consultancy

The University and the Institution (the Partners) agree to share information in strict confidence and will respect the intellectual property rights of each other.

In the event that the decision is not to pursue a collaborative activity, all information will be returned to the rightful owner.

Permission to deliver a collaborative activity must receive detailed approval by both Partners prior to a formal agreement laid down by a Memorandum of Co-operation duly signed by the Vice Chancellor of the University and the Chief Executive of the Institution (or their nominee).

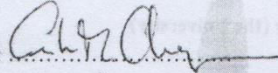

Specific agreements will be made from time to time concerning particular collaborative activities. Such agreements will take the form of Annexes to the Memorandum of Co-operation and will require the signature of the Vice Chancellor of the University and the Chief Executive of the Institution (or their nominee).

DEPARTMENT OF INSTRUMENTATION SCIENCE

Date: 31.05.2018

Place : Jadavpur University, Kolkata

To whom it may concern

I have had the distinct pleasure of having Dr. Malay Gangopadhyaya, Professor & H.O.D ECE Department Institute of Engineering & Management, Salt Lake, Kolkata 700091, as an investigator in our collaborative research work (individual level) for four years. He is an expert of the field of Electronics and Telecommunication as well as Modeling and simulation. With Professor Gangopadhyaya's superior knowledge and involvement, we are trying to reveal a hidden side of *Human Factor Analysis Of Railway Coach And Bogie Maintenance*. I will always hold him in the highest esteem as the ideal collaborator for the above said research field at my university .

Sincerely,

*Sankar Narayan Patra*

- c) Transcripts of last semester
  - d) A letter from IEM / UEM certifying the future obtention of his/her Bachelor degree
  - e) English test copy
  - f) OFII form (delivered by French embassy while visa issuing)
5. Acceptance & Enrolment Procedure
- a) Reception of application documents;
  - b) An interview (face to face at campus or by phone) by ESCR's professor (The interview will test the candidates' English ability, their competence for finishing the study in Rennes, their adaptation to new environment, their group work abilities, self-confidence and self-control, etc.)
  - c) ESCR's internal admission committee
  - d) An offer of acceptance together with an Enrolment Form by ESCR
  - e) Student's enrolment by sending back to ESCR the completed and signed Enrolment Form and first instalment of tuition fees.
  - f) ESCR will send Confirmation Letter and relevant materials for visa application and will coordinate with the CampusFrance office to facilitate the visa procedure.
6. Fees & expenses, French Social Security and Complementary Health Insurance
- Students should aware the following expenses and fees
- a) Tuition fees at ESCR: the MA or MSc programme tuition fees amount 11,900 euros. These fees are payable by transfer and divided into two instalments: firstly 2975 € before the deadline fixed by the Offer of Acceptance and the balance before the end of August,
  - b) A partial scholarship is made available to our international students. If the accepted student from IEM / UEM gets one of them, a scholarship of 15 to to 30% of the fees will be deducted from the total tuition fees, before entering the Master programme.
  - c) Tuition or registration fees at IEM / UEM (only if double registered as final year Bachelor student) to be specified and paid directly to IEM / UEM
  - d) There is no additional tuition fee for the Winter Session. 50% of the travel expenses will be covered by ESCR. Students should pay the rest plus all the living expenses (accommodation & food)
  - e) French Social Security is mandatory, around 200 euros, the exact amount to be specified by ESCR; payable by cash via ESCR to French government Agency CPAM
  - f) Alumni membership is also compulsory, a 150 euros for lifelong membership to be paid via ESCR to the Alumni Association of ESCR,
  - g) A complementary health insurance is optional; it will be the student's responsibility to purchase it on arrival during the orientation week
  - h) Living expenses are about 600 euros per month including housing, transport, food and leisure. The students are responsible for managing their own living expenses.
7. Accommodation & Student Welcome
- ESC Rennes will provide information on accommodation types, distances to the campus and the costs and help students to reserve accommodation. Students should decide themselves to reserve the accommodation and pay the reservation fees to the landlord directly. Details of the academic calendar, including dates for international orientation and other practical information will be sent on due time.
- Students will be responsible for making their own travel arrangements to Rennes and have to inform ESC Rennes of the date and time of their arrival. These dates should be in accordance with the International Student Orientation days so that ESC Rennes will organize for students to be met at Rennes railway station or airport and taken to their residence.
- ESC Rennes will do proper orientation to help students to adapt to the new study life as soon as possible.

### Master's Agreement

Under the General Agreement on International Academic Cooperation between ESC Rennes School of Business (hereinafter named ESCR) in France and IEM / UEMX (hereinafter named IEM / UEM) in (country), both institutions agree to cooperate in co-training international students in management and business fields and facilitate IEM / UEM's undergraduate students to study post-graduate programme in ESCR.

#### 1. Programme of study

Students who are studying in a Bachelor programme in IEM / UEM: the final year Bachelor students having already obtained required credits (equivalent to 180 ECTS credits or 120 US credits) to be granted the Bachelor degree may apply to study the Master Programmes (MA & MSc) entirely taught in English at ESCR. The duration of Master Programmes (MA & MSc) at ESC Rennes is 15 to 16 months, including course period (from September to April). Dissertation writing and internship (4 months minimum - from May up to December) are compulsory for MSc programmes, and optional for MAIB programme.

#### 2. Promotion & Communication

Both of ESCR and IEM / UEM will publish information at the campus and the website about this cooperation programme. Both ESCR & IEM / UEM will organize seminars and do the presentation or facilitate ESCR recruiting staff to do presentations at IEM / UEM's campus.

ESCR Rennes will provide students with the following information by December 30<sup>th</sup> each year:

- a. The number of students ESCR is willing to accept the following year,
- b. The tuition fees for the following year,
- c. The courses offered the following year

and also provide general information on accommodation & practical information on getting to Rennes.

#### 3. Requirements

- a) Students should complete or will complete a Bachelor degree at IEM / UEM before joining the MA or MSc programme at ESCR;
- b) Students should have a good level of English language demonstrated by an official test (minimum: IELTS 6.5, TOEFL 80 IBT, TOEIC 750), the score may be provided when available before the programme at ESCR starting.
- c) There is no requirement for French language but if electives in French are chosen, proficiency in French will be also required (minimum: DELF B2, DALF C1 or TCF TEF).

#### 4. Student application documents

IEM / UEM will provide ESCR with the following each year the completed application files\* for all students selected for the programme before 31<sup>st</sup> May. Each application file should include:

- a) Application form (of ESCR) completed and signed by the student + photo;
- b) CV in English;
- c) Motivation letter in English;
- d) Transcripts for the semesters which had been finished.

The following documents may be completed before the programme starting in September:

- a) Passport & visa (2 copies of each)
- b) Birth certificate

8. Registration and student status

In certain specific cases, students may be double registered as the same time as IEM / UEM final year student and ESCR Master (MA or MSc) student during their study period at ESC Rennes School of Business. If it's the case, student should pay tuition fees at both institutions during their studies at Rennes. The students will have the same rights and obligations as all ESCR students during their studies at Rennes. Students will be informed in due time of the period and procedure for class registration.

9. Transcripts and final certificate

ESC Rennes will be responsible for issuing certificates of registration, transcripts and degree to concerned students and keeping the students records. Individual transcripts of all students will be sent to IEM / UEM at the end of each academic semester (exam board). Students successfully completing their programme (Courses, dissertation and internship if compulsory) at ESCR and obtaining all ECTS credits will be granted a Master degree (MA or MSc) from ESCR only if a certified copy of Bachelor degree at IEM / UEM is submitted to ESCR.

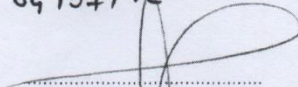

10. Duration and revision

This agreement shall become effective from the date of signature by both institutions for a period of 1 year. It shall be automatically renewed after this period of 1 year unless stated otherwise by one or the other Institution. In addition, either School may terminate the agreement in writing at least six months prior to the beginning of each academic year, provided that the mobility in progress or agreed with is not interrupted.

Any relevant matters not contained in this agreement should be resolved by discussion between both Institutions.

IEM / UEM and ESC Rennes will work closely and exchange the information in order to make sure the implementation of this cooperation.

This Agreement will become effective after signing by representatives from two parties. Any amendments to the Agreement from one party must notify the other party 6 months before.

## AGREEMENT FOR ACADEMIC EXCHANGE

Between  
College of Engineering, Institute of Engineering and Management, Kolkata, India  
And  
Graduate School of Software and Information Science, Iwate Prefectural University,  
Japan

College of Engineering, Institute of Engineering and Management, Kolkata, India and Graduate School of Software and Information Science, Iwate Prefectural University (IPU), Japan conclude this agreement for the purpose of deepening friendships and of extending cooperation in education and research at both schools.

Article 1. The two schools form this cooperation for the purposes of developing international educational opportunities for students and for the promotion of research activities on the part of faculty members.

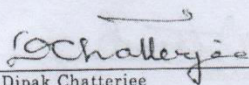

Article 2. This cooperation relates to the following activities, and the details of its implementation shall be discussed and mutually agreed by the two schools.  
1) Exchange of students and faculty members for lecturing, studies and research.  
2) Exchange of information and publications.  
3) Other activities of mutual interest.

Article 3. This agreement becomes effective from the date of signatures by the Dean of both schools and the Presidents of both Universities.

Article 4. This agreement is valid for five years. Its period of validity may be extended by mutual agreement. Either party may, by giving six months' advance written notice to the other party, terminate this agreement.

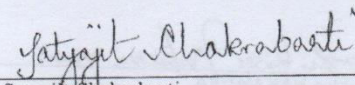

Article 5. This agreement can be revised by mutual consent.

A copy of the Agreement will be retained in both schools.

## MEMORANDUM OF UNDERSTANDING

Between

**MONTPELLIER BUSINESS SCHOOL**  
2300, Avenue des Moulins  
34185 Montpellier Cedex 4, FRANCE

And

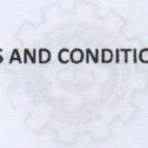

**INSTITUTE OF ENGINEERING & MANAGEMENT TRUST**  
Salt Lake Electronics Complex, Salt Lake  
Sector-V, Kolkata 700091, INDIA

This is a Memorandum of Understanding between the IEM Trust run Institutes – Institute of Engineering & Management, (IEM) Kolkata, University of Engineering & Management, (UEM) Jaipur, Rajasthan and University of Engineering & Management, (UEM) Kolkata, represented by Prof. Satyajit Chakrabarti, Director, (hereinafter referred to as (IEM Trust run Institutes ) and Montpellier Business School, that is represented by the Dean of the School, Dr. Didier Jourdan (hereinafter referred to as Montpellier Business School).

This memorandum sets out the terms and conditions under which the two institutions have agreed to work together to promote academic programs and research co-operation.

The spirit of this initiative is intended to develop a closer understanding, greater cooperation and a durable friendship between the two institutions as well as specific co-operation in the delivery of nominated degree programs.

In pursuance of this aim, the two entities, the IEM Trust run Institutes and Montpellier Business School have agreed to the following:

## **TERMS AND CONDITIONS**

The Memorandum of Understanding (MoU) essentially sets out the general nature of the co-operative agreement between **IEM Trust run Institutes** and **Montpellier Business School**.

It is not intended that the agreement shall give rise to any legal rights or obligations between the two institutions.

Neither party assumes any financial obligations arising from the MoU except as mutually agreed under separate schedules jointly established from time to time.

Specific projects encompassed by this MoU will be agreed upon by both parties.

## **THE GOAL**

The intended goal of this MoU is to develop and maintain an ongoing relationship between the two institutions. The relationship will provide opportunities for institution members (academic, administrative and professional staff) as well as students to participate actively in the educational programs of the two institutions.

## **SCOPE OF ACTIVITIES**

Possible activities may include, but are not limited to, the following:

1. **Development of the projects which will facilitate the student mobility from IEM Trust run Institutes to continue their studies in Montpellier Business School at all academic levels ;**
2. **Development of Joint Programs at all levels ;**
3. **Development of staff exchange and research collaboration as far as possible.**

For each activity both parties will set up a specific detailed agreement.

## **COMMENCEMENT AND DURATION OF THIS AGREEMENT**

This agreement will come into effect at the time of signing and will remain in force for a period of five (5) years. Following a review by both parties during the fourth year the

Memorandum may be extended for a further agreed period. It is further agreed that any decision to allow this MoU to lapse will take into consideration the time needed for completion of any projects under way or any student's completing courses.

**Brunel University London**

*on*

Academic and Research Collaboration

### **1. Preamble**

- 1.1. This Memorandum of Understanding is intended to promote co-operation and advancement of international understanding between Brunel University London and Institute of Engineering & Management, Kolkata to their mutual benefit.
- 1.2. Nothing in this Memorandum of Understanding shall be construed as creating a legal relationship between the Parties.
- 1.3. The purpose of this Memorandum of Understanding is to enable Brunel University London and Institute of Engineering & Management, Kolkata to achieve objectives as set out below.

### **2. Objectives**

- 2.1. The development and promotion of research collaboration in areas of mutual interest.
- 2.2. The exchange of staff, scholars and students.
- 2.3. The sponsoring of co-operative seminars, workshops and other academic meetings on matters of mutual interest.
- 2.4. The development and delivery of training programmes.

- 2.5. the provision of articulation paths into appropriate degree programmes conducted by the University

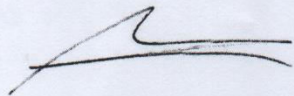

**3. The Understanding**

- 3.1. Proposals for collaborative work under this Memorandum of Understanding will be submitted through liaison officers designated by each Institution to assure conformity with the Objectives.
- 3.2. The terms and scope of each proposal will be described in individual contracts which will be prepared subsequent to this Memorandum of Understanding and signed by both Parties and exchanged prior to commencement.

**4. Commencement and Duration**

- 4.1. This Memorandum of Understanding commences on the date of signature by the appropriate officer of both Institutions.
- 4.2. This Memorandum of Understanding shall be in effect for three years. This period may be extended by written consent of both institutions.

COOPERATION AGREEMENT

BETWEEN THE BOARD OF REGENTS OF THE NEVADA SYSTEM OF HIGHER  
EDUCATION, ON BEHALF OF THE UNIVERSITY OF NEVADA, LAS VEGAS, AND  
INSTITUTE OF ENGINEERING & MANAGEMENT

This Cooperation Agreement (this "Agreement") is entered into by Institute of Engineering & Management (hereafter "IEM") and the Board of Regents of the Nevada System of Higher Education, on behalf of the University of Nevada, Las Vegas (hereafter "UNLV"). The Parties desire to engage in academic, scientific and cultural collaboration under the following terms and conditions.

I. OBJECTIVES

UNLV and Institute of Engineering & Management agree to develop academic and research programs, as well as promote projects in the areas of interest to both institutions. The participation of each university in any of the specific programs will be subject to the availability of funds and academic personnel.

II. ACTIONS

A. Actions that may be carried out under this Agreement include:

1. Joint research activities;
2. Personnel exchange for purposes of study and research;
3. Information exchange in fields of interest to academic personnel and students of Institute of Engineering & Management and UNLV; and
4. Academic personnel exchange for lectures, talks, symposiums, conversations and sharing of experiences.

The parties will develop working programs for specific projects to define the duties and responsibilities of each party.

B. The parties agree that the work programs that develop from this Agreement will be subject to the following protocols:

1. Each program developed under this Agreement shall be memorialized by separate written agreement.
2. Any exchange of students and academic personnel will be in conformance with the rules, regulations and policies established by each institution.
3. The parties will each appoint one responsible person for the completion of the programs developed under this Agreement.
4. For each program developed under this Agreement, the parties will agree upon the financial resources that have to be provided by each party. Such financing will be subject to the rules, regulations and policies of each institution and to the applicable laws of each country.
5. Both institutions agree that the personnel provided by each institution for the implementation of the work programs developed under this Agreement will be affiliated exclusively with his/her employer, that each institution will assume its responsibilities to this end, and in no case will either institution be in any way liable for the actions of the other.
6. The production, publication and distribution of articles, pamphlets and other works generated from work programs under this Agreement will be undertaken by mutual agreement and will be jointly owned by the parties. The parties stipulate that for each publication they will seek the maximum protection available under the law for intellectual property in the United States and India. It is understood that each party may use the results obtained from the

activities covered by this Agreement for academic purposes. It is expressly agreed that any unauthorized commercial use of a joint work product by either party will result in the disgorgement of profits to that party resulting from such unauthorized use.

7. Authorship of any written work will be attributed to the party whose personnel produced the work with recognition being given to the individuals who contributed to the work. If the work is produced by personnel from both parties, authorship will be attributed to both institutions equally.

8. The parties will, where they consider it necessary, maintain confidentiality with respect to activities or programs developed under this Agreement. Notwithstanding the foregoing, this Agreement is subject to the provisions of the State of Nevada Public Records Law, Nev. Rev. Stat. 239.010, such that information or documents received from Institute of Engineering & Management may be open to public inspection and copying.

### III. DURATION, MODIFICATIONS AND TERMINATION

This Agreement will be in effect for three (3) years, starting on the date the last party signs agreement. This Agreement may be modified or extended by written amendment executed by both parties. The modifications or extensions will be effective on the date the amendment is executed by both parties. This agreement may be terminated for any reason by either party by giving to the other thirty (30) days written notice prior to such termination.

### IV. DISPUTE RESOLUTION

This Agreement is entered into by the parties in good faith. The parties will use their best efforts to resolve any conflict or dispute which may arise regarding the interpretation and enforcement of this Agreement. Any disputes or conflicts which cannot be resolved at the

appropriate operating levels shall be referred to the presidents of each institution for final resolution.

#### V. ASSIGNMENT

Neither this Agreement, any interest herein nor any claim hereunder, shall be assigned or transferred by either party unless expressly authorized in writing by the other party.

#### VI. COMMUNICATION AND COORDINATION

To provide for consistent and effective communication between Institute of Engineering & Management and UNLV, the following points of contact are established:

For UNLV: Susan Thompson

### MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is made and entered into on this 1st day of August 2017, between Institute of Engineering & Management -(hereinafter referred to as "IEM"), hereinafter called Party of the First Part (which expression whenever the context so requires or permits, shall mean and include successors in office and assignees)

and

CONFEDERATION OF INDIAN INDUSTRY, Eastern Region (hereinafter referred to as "CII ER"), having its Central Office at The Mantosh Sondhi Centre 23, Institutional Area, Lodi Road, New Delhi -110 003 and its Regional office at 6 Netaji Subhas Road, Kolkata 700001 hereinafter called the Party of the Second Part (which expression whenever the context so requires or permits, shall mean and include successors in office and assignees).

#### **Whereas**

IEM is a self-financing Institute, running under non-profitable IEM Trust, under Department of Higher Education, Govt. of West Bengal and focuses primarily on Engineering & Management education and offers programme approved by the AICTE and is affiliated to Maulana Abul Kalam Azad University of Technology.

#### **And Whereas**

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, CII is India's premier business association and has over 8300 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 200,000 enterprises from around 250 national and regional sectoral industry bodies.

#### **And Whereas**

The Eastern Region Sub Committee on Education Development plays a key role in contributing to the competitiveness of higher education sector working on the aspects of quality, relevance and access to education through focused activities that create natural synergies between industry, government & the academia.

**It is hereby mutually agreed to by both parties as follows:**

CII ER will work with IEM to create a CII ER Education Excellence Forum, an Industry-Academia Interaction Platform and provide comprehensive hold up, facilitate and arrange

*Jatyaajet Chakrabarti*

institute-industry interaction, student and faculty development programmes. This MOU shall be valid for a period of one year and the programmes and activities will be organised and conducted between 1st August 2017 – 30 September 2018

The following activities/events are planned under the scheme:

❖ **Mentoring Sessions for Students**

- Industry captains to address Students and faculty at Institute premises, twice a year.
- Interactive learning session (for core engineering) with Production Head of Manufacturing Concerns on mutually decided topics- addressing Students and faculty at Institute premises, twice in a year.
- Interactive learning session for Computer Science Students on SMAC at Institute premises, twice a year.
- Session on interview preparation for 3rd year/4th year Students.

❖ **Faculty Session:** Exclusive interaction with Senior CII Office Bearer and Principal & faculty members.

❖ **Factory/Site** visits to get practical knowledge of operations in a groups of 15-20 students & faculty, once in a quarter only (4 groups- total 60 students)

❖ **Other Services**

- Free passes to attend select CII ER Conferences & Seminars for 10 students & 2 faculties only.
- Facilitate dialogue for internship and placements for students of IEM with member companies
- Opportunity to interact with International Delegation/Trade & Economic Officers of Consulates in Kolkata
- Free access of mycii.in to IEM - Information Updates on Government Policy, Tracker of Policy and Investment, Knowledge Centre- sectoral reports, research papers, proceedings of conferences

All the above said activities/events shall be facilitated by CII ER subject to availability of speakers, industry members and factories/sites etc.

**Financial Terms**

- A sum of Rs.1,00,000/- per year (non-refundable) will be paid by IEM to CII ER toward consultancy charges for coordinating, monitoring and facilitating the programme. In addition, the costs of travel, accommodation and other incidental expenses will be borne or reimbursed by IEM at actual basis. While billing for consultancy charges and for any reimbursement of expenses mentioned above, applicable taxes will be charged extra by CII.

**Termination**

CII ER reserves the right to unilaterally terminate this MOU by way of written notice, with immediate effect. In such circumstances, CII ER, shall, if feasible, make endeavours to accomplish any activities/events etc. which have been initiated. IEM shall be obligated to bear all expenses as mentioned in Financial Terms.

*Jatijit Chakrabarti*

**Role of IEM**

- Organise the students and faculty for the programmes and events.
- Infrastructure and administrative arrangements for the programmes to be held within the campus premises

**Role of CII**

- CII ER shall organise, coordinate and facilitate the above said activities/events during the year subject to availability of speakers, industry members and factories/sites etc.

**Indemnity**

- IEM shall at all times, keep CII ER, fully indemnified against all third-party claims or actions, and any liabilities, losses, expenses, damages and costs (including, but not limited to, reasonable attorneys' fees) related thereto, to the extent same arise out of any material or substantial breach of this MOU by IEM.

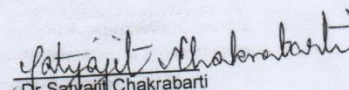

Both parties hereby agree that the terms and conditions for the above individual activities shall be mutually agreed and reviewed and updated from time to time. This Agreement will be followed by separate project implementation plans.

This Agreement will be in force for an initial period of one year and may be extended for further periods on revised terms, before or after the expiry of this Agreement.

This agreement shall become effective from today, upon signing of this Agreement.

### Sub : Collaboration for free Education/Donation in Kind

Dear Sir,

This refers to your letter dated Tuesday, 25<sup>th</sup> April, 2017. We are extremely thankful to your Institute for suggesting a collaboration program between our two organizations.

Before proceeding further let me apprise you about our organization. Save the Children Committee (India) came into existence in 1944 in the wake of Bengal Famine of 1943. Children who were roaming the streets looking for food were admitted in Homes in different districts of Bengal. They were provided shelter, food and education. The famine is now history, but still there are children who need care and protection.

Presently we are administering five homes, of which Save the Children Home, Thakurpukur is a girls' Home. The other four are boys' Homes, situated in Khagda and Mahishadal in Medinipur East, Pifa, near Basirhat, 24 Parganas(North) and Rajbandh, in Burdwan District.

We shall be grateful if you kindly visit our Homes, and discuss the ways and means of proceeding with the collaboration.

Thanking you,

Yours faithfully,  
*Ena Chaudhuri*  
(Ena Chaudhuri)  
Hony. General Secretary

Gen/MS

### TO WHOM IT MAY CONCERN

This is to certify that Sm. Tiyash Patra, who is a member of Dakshin Pally Nabarun Sangha, has been coming to our Home in Thakurpukur, viz, Save the Children Home, Thakurpukur regularly.

This Home houses nearly 150 girls aged between six and eighteen years. Sm. Tiyash Patra has been organizing games and trying to make the girls aware of discipline in all walks of life. She also donated some stationery to the Home.

We feel that Sm. Patra will be an asset to society with her attitude towards orphan and destitute children.

MOU BETWEEN CRY & INSTITUTE OF ENGINEERING  
MANAGEMENT, KOLKATA 2017-2018

Ensuring lasting change  
For children

CRY-Child Rights and You Chapter --- IEM Chapter

**How will it work?**

CRY-IEM Chapter would be a student Volunteer group who will be working towards ensuring Child Rights in all their actions. It will work in Collaboration with CRY, working under the guidance of a committed faculty advisor, to abide by the spirit of CRY. The group would not be monitored by any external party and would not be answerable to anyone except the CRY authorities. The group would be glad if it receives some facilitation by the IEM authorities. Basic activities of the group will be funded by the CRY and all the work done by the group shall be notified to the CRY central authorities only. The group would work under a code of conduct which would be notified in due course of time.

Signature: Anindita Mukherjee

### Initial Action Plan:

Before setting out to accomplish our aims we'd need to do a proper analysis of the problems plaguing the area and then decide how to best, go about them. In the end we aim to change the mindset of the people's mentality about short term gains through the child labour and spread awareness about what is actually required of a citizen, so that they do not accidentally plunge their own kids, and the future of the nation into darkness.

The following will be our initial steps once we start -

- Carry out a survey in the nearby areas to find out about the most sensitive areas and prepare reports based on that. The questionnaire would be shared with the central authorities before the work begin
- A tutelage program:
  - Members of CRY-IEM Chapter will take over the responsibility of CRY educational program in the Dhapa PAG area, Kolkata, following a survey of the same, with immediate action.
- A status update report would be sent to CRY on a regular basis.

Once the Chapter is properly set up, it will be built upon the plans and take more initiatives as we go along.

MOU BETWEEN CRY & INSTITUTE OF ENGINEERING  
MANAGEMENT, KOLKATA 2017-2018

Ensuring lasting change  
For children

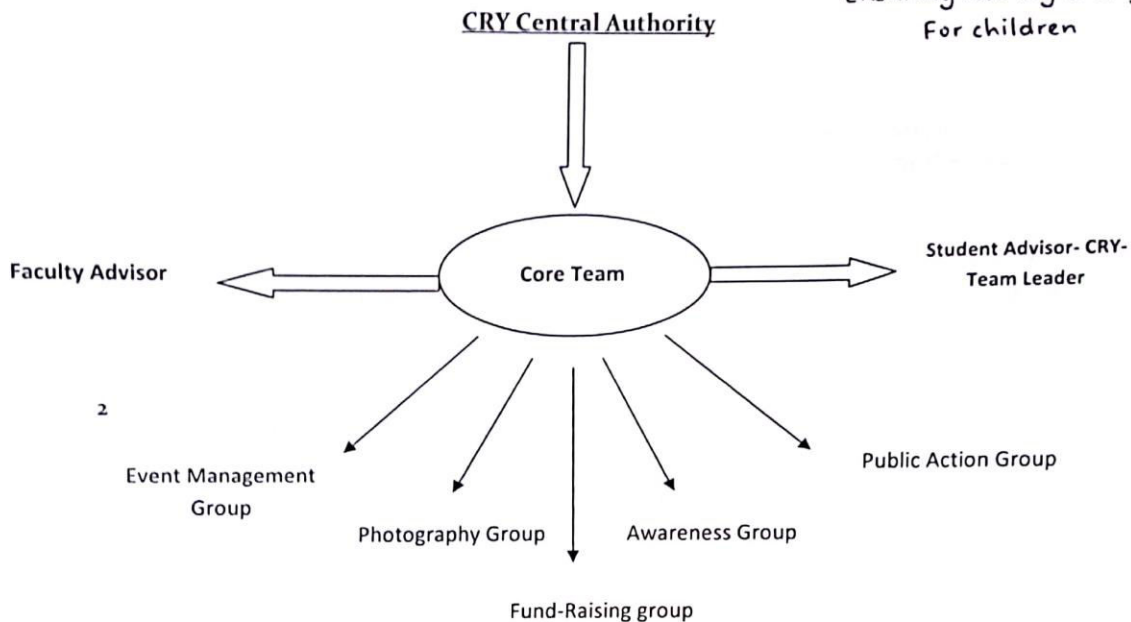

**Code of Conduct:**

1. Although the core team would be open to any suggestion by the volunteers, but the final decisions to be taken regarding the group would be taken solely by the Core Team, with the approval of the faculty advisor.
2. Handling of funds would be done by the Core Team only. The records would be available only to the CRY central authorities, faculty advisor and team itself. Since no monetary fund is required of the Institute, hence the Institute shall exercise no control over the financial matters of the Chapter.
3. No damage to Institute infrastructure or to public property would be done in any of the events organized by the CRY-IEM Chapter. If so then, reparations shall be made by the group.
4. Funds procured will only be used for the sole purpose of advocacy child rights and related initiatives. They are under NO circumstances to be used for any other purpose.
5. Regional and religious sentiments shall be taken care of while carrying out any activity. The group will also not align with any political/religion group or organization.
6. CRY authorities will be notified with any collaboration that Chapter makes with a group having the same initiative. During community and such similar interactions with such groups, the volunteer will ensure that the above message is conveyed to them as well.
7. Any awful act by a volunteer is punishable by University norms. The Chapter will personally look into the matters and if it finds that the code of conduct of CRY Chapter is violated, then strict action would be taken. CRY Chapter will always ensure that the name/brand/image of CRY is never tarnished.
8. The CRY central authorities reserve the right to exterminate any member of the core team should his/her conduct or work be found unsatisfactory.
9. Also the core team reserves the right to remove any Volunteer from this group, if there is a valid reason. However this requires a consensus in the core team and permission of the faculty member.
10. It shall be the duty of the Volunteers to remember their responsibilities and duties they are expected to actively participate in all initiatives take by the group.
11. Finally the Volunteers need to remember that they are working for a noble cause and since not everything can be achieved in a very short period of time,; hence they are expected to be practical and patient as our main aim is to change the people's mind set so that the upcoming generation don't get burdened under labour and undue pressure.

MOU BETWEEN CRY & INSTITUTE OF ENGINEERING  
MANAGEMENT, KOLKATA 2017-2018

Ensuring lasting change  
For children

### Hierarchy

For the successful running of any organization, a proper hierarchy needs to be maintained. The first person that needs to be mentioned is the Faculty Member who would be playing the role of the faculty advisor. The faculty advisor would bring his experience into the mix and would guide the student Volunteers should they go astray at any point. For the starting phase of the chapter, the group would be having a Student Advisor- Team Leader who would be guiding the group in their endeavours as the chapter looks to start off positively. There will be a Central Core team which would look into the working of the Volunteer group. The team would act as an interface between the CRY central authorities and the Student Volunteers. All financial matters would be handled and looked after solely by the Core Team. The records would be kept confidential and the team would be answerable only to the CRY Central authorities. Other than the core team, the students Volunteers would be broadly divided into different sub-groups, each having a group representative, depending on their aptitude and interest. Some examples of the groups are the Event Management group, Photography group (Photo editing included), Fund raising group, Awareness group, On-ground Public Action group. Other such divisions may be made later should the situation all for it. Hence a simple protocol would be maintained and henceforth, all the future workers for CRY-IEM Chapter are expected to stick to this protocol and hierarchy for the proper functioning of the group.

# **ANNEXURE - IV**

## Mentoring by the Alumni of our college:-

### 1. **Rahul Sharma:-**

Date: 2<sup>nd</sup> February, 2018

He is our 2013 passout. After passing out he started his own company called “Distronix”. He gave a motivational talk on entrepreneurship and the present market scenario.

### 2. **Suhail Ghosh:-**

Date: 21<sup>st</sup> February, 2018

He is our 2013 passout. He is also an alumnus of Faculty of Management Studies, Delhi and is presently Business Consultant (Analytics) at Tech Mahindra. He gave a talk on the present scenario of job market and motivated students for higher studies.

### 3. Sunny Agarwal:-

Date: 3<sup>rd</sup> March, 2018

He is our 2012 passout. He is also an alumnus of IIM, Bangalore and is presently Area Sales Manager of Nestle. He gave a talk on the skills and resources required for managing sales.

### 4. Soham Banerjee:-

Date: 21<sup>st</sup> March, 2018

He is our 2014 passout. He is a co-founder of “One Wallet Hub”. He gave a talk on the importance of digital marketing and its implications.

**5. Sumon Chakraborty:-**

Date: 5<sup>th</sup> April, 2018

He is our 2015 passout. He gave a talk on the importance and the process of cracking GATE examination.

**6. Parthajit Dholey:-**

Date: 17<sup>th</sup> April, 2018

He is our 2015 passout. He gave a talk on the importance and the process of cracking CAT examination.

## Mentoring by Industrial Visitors:-

### 1. Revolution in Electronics industry on introduction of FPGA:-

DATE: 30<sup>th</sup> January, 2018

The audience was addressed by Mr. Rohit Sarkar, CEO & co-founder of “Distronix”. He gave a talk on latest trends of global technology development and change in market scenario on introduction of FPGA.

### 2. Guest Lecture on “Overview of IBM Systems Technology Group”

DATE: 18<sup>th</sup> January, 2018

*Glimpses of the seminar*

The audience was addressed by Mr. Barin Bhattacharya, Software Engineer of IBM Singapore. Mr. Bhattacharya delivered a talk on IBM manufacturing solution that mainly works on P server and Z server. He also talked on Cloud computing which is named as IBM hybrid cloud. Big data and Automation. After the session, there was a questionnaire followed by tea.

### 3. Guest Lecture on Modern Networking Trends

DATE: 22 March, 2018

*Glimpses of the seminar*

The audience was addressed by Mr. Avik Bhattacharya, Software Engineer of Ixia. He delivered a talk on Modern Networking Trends (with focus on Automotive/Industrial Ethernet and Hyper-scale Data Centers). After the session, there was a questionnaire followed by tea.

### 4. EMERGING TECHNOLOGY TRENDS- BIG DATA

DATE: 10<sup>th</sup> April, 2018

*Mr. Shantanu Goswami, Global Director, SAP, Manchester*, addressed a gathering of Faculty Members and students from IEM, Kolkata. His topic of discussion related to ‘Emerging Technology Trends’ with special focus on BIG DATA. He began his talk by introducing the concept of BIG DATA and the fact that it has already become obsolete! He went on to discuss its utility and relevance and concluded with its impact on daily life.

## 5. Computing and Low Power VLSI Design: Intel Perspective

DATE: 18<sup>th</sup> April, 2018

The lecture on "**Mobile Computing and Newer Developments in VLSI**" was delivered by Mr. Subhomoy Chattopadhyay, a **Senior Engineering Manager at Intel Corporation in Santa Clara USA**. Subhomoy has worked in the area of high performance and low power chip design for the last 21 years at IBM Corp, Sun Microsystems (Oracle) and now Intel Corporation. Subhomoy obtained his BE degree from IEST Shibpur, MTECH from IIT Madras and his MS in Computer Engineering and VLSI design from University of Tennessee, Knoxville, USA, in 1989, 1991 and 1995 respectively. Subhomoy leads global teams at Intel Corporation that worked on low power SOC designs for tablet, client and phone market. He has presented invited tutorials on low power design at various International conferences in Japan, Germany, Brazil, UK, Singapore, India and Canada in the last 10 years. Subhomoy is a senior member of IEEE.
