In the above cases the candidate shall be required to satisfy the norms prescribed for medical fitness criteria. Admission to any programme shall ordinarily close after twenty days from the date of commencement of the first semester instruction, as notified by the University in its calendar.

### Branch Change for B.Tech Students:

A student may be allowed a change of branch in an institution/college after completion of course requirements for the first and second semesters, subject to availability of seats in a programme. The selection shall be on the basis of merit assessed through the combined results of the first and second semester examinations declared in the form of YGPA at the end of the first year. This is an incentive to meritorious students securing a YGPA of 8.5 or more. The change of branch shall be accorded to only such students who have cleared all examination items of both semesters in first attempt, in examinations held during academic session of his first admission to the course. Change of branch may be accorded subject to the condition that the consequent total student strength in the 'gainer' programme shall not exceed by 10% of the actual student strength existing on the rolls prior to the change during the process. Institutional decision on the matter shall be final.
