On **28th November 2022**, Alumni Talk series was conducted by 2020 pass-out alumni-Mr. Rajarshri Lahari. Rajarshi is currently working as a Systems Engineer at Tata Consultancy Services. He is a Salesforce Developer working on building B2B sales applications for a Global Beverage Company in the SFDC Practice of TCS.

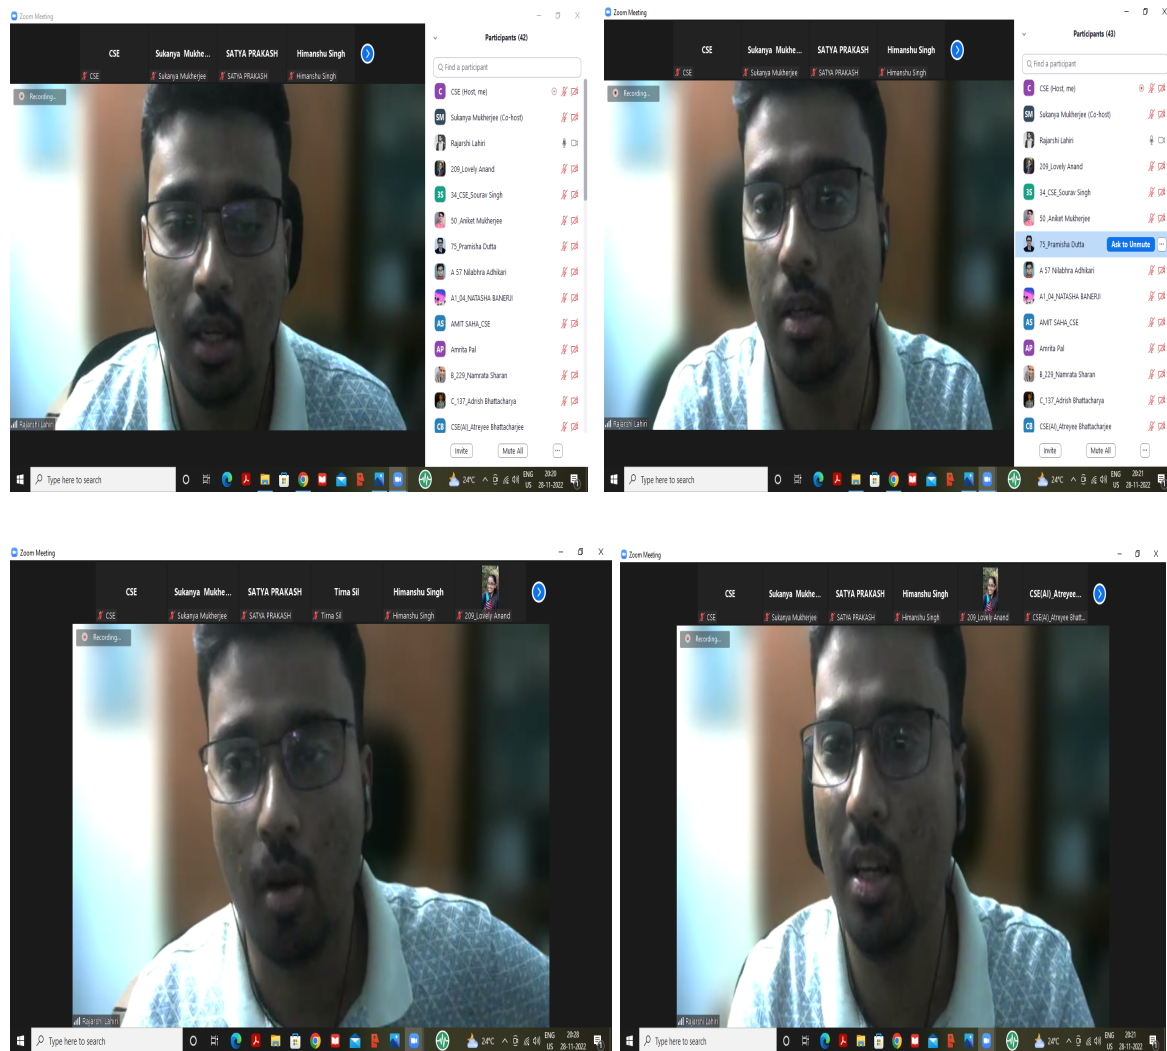

He started the talk with how he survived his 4 years of engineering in IEM. He shared the tricks of building skills even on busy days.

Mr. Ghoshal advised the students to Work on subjects like Data Structure, Computer Organization, Computer Networks, DBMS, OS and to gain fundamental understanding with a strong base. He shared how he gained advanced knowledge even on these subjects even after his B.tech. He said he took 2 year to get a chance in Google only when he acquired proper understanding of these subjects. He suggested having a career that one is passionate about to achieve success.

Since it was an offline session, students took the opportunity to interact with him after the session and listened to his valued suggestions.

The event was conducted in offline mode with **41** active participants.
