

Alumni Talk by Dr. Procheta Sen, Assistant Professor at University of Liverpool (UOL), United Kingdom on “Tips and Tricks for Research and basics of ML”, Organized by - Department of Computer Science and Engineering

Organized By- Department of Computer Science and Engineering

Mode- Offline

Venue- CSE Department

Date- 17th January2023

Time- 03:00 - 04:00 PM

Number of Participants - 160

On **17th January2023**, Alumni Talk series was conducted by 2013 pass-out alumni-Dr. Procheta Sen. Dr.Sen is currently working as a Assistant Professor in the Department of Computer Science at University of Liverpool (UOL), United Kingdom. Before joining UOL, she completed her postdoctoral researcher in the Web Intelligence Group at University College London (UCL). Dr. Sen completed her PhD. in 2021 from Dublin City University, Ireland. She was affiliated with ADAPT centre Ireland during her PhD. Dr Sen's area of interest includes - Information Retrieval (IR), Natural Language Processing (NLP) and Machine Learning (ML).

Shee started the talk with basics of Machine learning. Then, she talked briefly about her research interest and her current research area. She briefly explained her doctoral work. She also shared tips and tricks for good research and how to start research work.

Dr. Sen also interacted with students and also shared her journey of becoming professor in University of Liverpool.

The event was conducted in offline mode with **160** active participants.

Few glimpse from the event-
